

REFINE GOVERNMENT

Making the Best Use of Tax Dollars to Build a Smarter, More Efficient Government

- Develop a streamlined, easy to use Unified Development Code.
- Analyze potential return on investment before spending tax dollars on capital improvements.
- Strengthen investment in centers and corridors, including Downtown Lafayette, using innovative strategies such as public-private partnerships.
- Improve our transportation network for all users by reducing congestion and enhancing connectivity.

REVITALIZE NEIGHBORHOODS

Strengthening Neighborhoods, Increasing Housing Choice, and Supporting Business

- Create a Redevelopment Authority to remove blight and eliminate adjudicated properties.
- Design the I-49 Connector to improve accessibility and ensure neighborhood protection.
- Strengthen gateways to the city of Lafayette, including the North Gateway to Lafayette.
- Strengthen neighborhood character, increase housing choice, and improve access to recreation and healthy foods.

REENVISION NATURAL RESOURCES

Finding Opportunity in Our Environmental Challenges

- Improve the health of the Bayou Vermilion.
- Strengthen stormwater management and protection from flooding using Greenway Infrastructure.
- Develop policies and programs that lead to a more beautiful and attractive Lafayette.
- Increase opportunities for recreation and enjoyment of parks and open space, including new trails and bike paths.

REINVENT THE HUB CITY

Investing in Community Assets that Define the Hub City of the Future: A Connected, Innovative, and Culturally Rich Place

- Work with community partners to educate and fully prepare students for success in the workplace.
- Enhance Lafayette's historic resources and make culture and arts a visible part of the community's image.
- Utilize best practices to guide development and redevelopment of existing centers (Downtown), emerging centers (e.g., Milton) and corridors (e.g., Johnston Street), including the prioritization of "complete street" design.
- Grow Lafayette as a leader in technology and fiber availability.
- Expand Airport infrastructure to improve connectivity and bolster the economy.
