**FY 2024-2025 ADOPTED OPERATING AND FIVE-YEAR CAPITAL IMPROVEMENT
BUDGET OF THE CITY-PARISH CONSOLIDATED GOVERNMENT OF**

LAFAYETTE, LOUISIANA

Prepared By: Office of Finance & Management
Karen V. Fontenot, CPA, Chief Financial Officer

Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to **Lafayette City-Parish Consolidated Government, Louisiana** for its Annual Budget for the fiscal year beginning **November 1, 2023**. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

INTRODUCTION

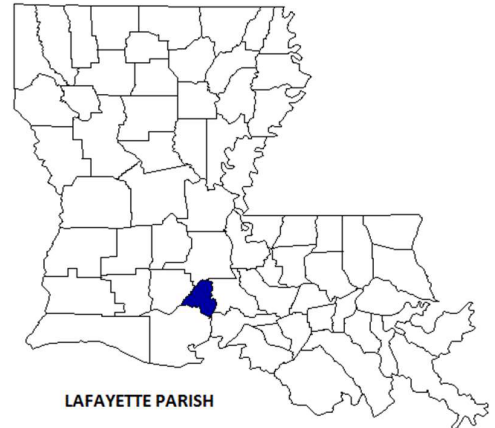

INTRODUCTION

This introduction and guide is designed to assist the reader in gaining an overview of Lafayette as well as aid in the use and comprehension of Lafayette Consolidated Government's (LCG) Operating and Five-Year Capital Improvement Budget Document.

The City of Lafayette, Louisiana is the parish seat of the Parish of Lafayette. The July 2023 estimated population of the City is 135,263 and the Parish is 247,107. The region was settled in 1763 by exiled Acadians from Nova Scotia (commonly called Cajuns). The Parish was created on January 17, 1823 and covers a total of 277 square miles. The City of Lafayette was originally founded as Vermilionville in 1821 and later renamed Lafayette in 1884. The City was incorporated in 1914. The Parish is located in the heart of Acadiana, an eight-parish area in the center of southern Louisiana between New Orleans and Houston. French, Creole, and Acadian culture, handwork and traditions are very much in evidence in and around the region and both French and English languages are still spoken. An estimated 11.5% of the Parish population speaks both French and English.

Given the Parish's central location in the Acadiana region, Lafayette is a hub for tourism. It boasts a vibrant music scene with world acclaimed music festivals such as Festival International De Louisiane and Festival Acadiens Et Creoles. In the spring and fall, free concerts through the Downtown Alive! Series are held downtown every Friday. The unique blend of Cajun and Creole cultures give rise to many diverse culinary opportunities. Attractions such as museums, art galleries, Acadian Village, and Vermilionville are within a short drive from the City's center. Lafayette is also truly part of Louisiana's Sportman's Paradise with easy access to golfing, fishing, hunting, water sports, and camping throughout the Parish.

The business base of the Parish includes energy services, manufacturing, health care, transportation and distribution, education, technology, finance, tourism, and other service-related industries. The population in Lafayette's trade market is over 600,000 with over a million tourists visiting the area each year. More than twenty percent of the dollars spent in the Parish come from visitors outside the Parish borders. The Lafayette Parish School System includes 45 schools, 25 elementary schools, 12 middle schools, and 8 high schools. Included in the system are 5 schools of choice, 6 high school academies, foreign language immersion curriculums, and gifted and talented programs. Lafayette is also home to the University of Louisiana at Lafayette (UL Lafayette), which is part of the University of Louisiana System. UL Lafayette offers bachelors, masters, and doctoral degrees in curriculums ranging from the humanities to hard sciences. It is one of the top-ranked universities in the south.

Prior to January 2020, the governing authority of LCG was the Lafayette City-Parish Council consisting of nine members elected from nine single member districts. By a general vote of Lafayette citizens, effective January 6, 2020, this Council was replaced by two separate councils consisting of five members each. The Lafayette City Council serves as the governing authority for the City of Lafayette. The Lafayette Parish Council serves as the governing authority for the Parish of Lafayette. The City Council and Parish Council, jointly, serve as the governing authority for Lafayette City-Parish Government. The LCG chief executive is the Mayor-President. LCG's governance structure is by home rule charter which, in its current form, was voted on by the citizenry in 1992. Although the governments were consolidated in 1996, the Home Rule Charter states that "The City of Lafayette shall continue to exist as a legal entity... and shall

exercise all powers granted by general state law and the state constitution for municipalities of the same population class.” Tax rates vary between the various municipalities and the unincorporated areas; therefore, after consolidating administration and operations of the two governments, LCG continues to maintain separate accounts for the City of Lafayette and Parish funds.

MISSION STATEMENT

The mission of LCG is to enhance the quality of life of our community by providing high-quality; cost-effective services that meet the needs and expectations of the public. The proposed budget is presented with this mission in mind and with the following goals.

GOALS

- To create responsible, accessible, and responsive government that has sound financial and administrative practices.
- To build a diverse economy with the ability to maintain during economic changes.
- To promote a city that is safe, environmentally conscious, and provides cultural and artistic enjoyments.
- To establish a well-maintained and future-oriented infrastructure with emphasis on convenient and efficient transportation movement.
- To establish predictable, compatible land uses through zoning and comprehensive planning.
- To enhance community-oriented programs such as parks and recreation and community development which provide an array of services for all citizens.

MAJOR INITIATIVES

Mayor-President Monique B. Boulet’s administration has prioritized several key initiatives to enhance city governance and re-establish public transparency throughout the process. This commitment to rebuild trust in local government and ensure that every decision made reflects the best interest of citizens throughout Lafayette Parish is evident in the establishment of major initiatives of Mayor-President Boulet’s administration. These major initiatives include: implementing efficiencies in public safety services; making strategic infrastructure investments for long-term growth; and modernizing high-quality governmental services for quality-of-life improvements. These measures aim to streamline operations, establish processes for accountability, and lay a foundation for stability, sustainable growth, and prosperity in Lafayette Parish.

- **Public Safety** – Effective partnerships between law enforcement and community stakeholders are essential to public safety, and it is important that government agencies and private citizens all embrace public safety as a shared responsibility. The Boulet administration aims to provide innovative and creative resources that help law enforcement engage community leaders, build lasting partnerships, and improve the health of our communities. Having well-supplied and well-funded police and fire departments is essential to the protection of life and property throughout our community. Furthermore, updating and re-establishing full-time emergency management operations at the Parish level will allow Lafayette to better manage preparation, response, and ultimately recovery from disasters. Mayor-President Boulet and the Lafayette Parish Sheriff are also working to bridge all agencies involved in the criminal justice process with the Criminal Justice

Coordinating Committee meeting, which currently gathers quarterly. Working together as a community, public safety is a priority for all.

- **Infrastructure** – When taxpayer money is spent, there is an inherent obligation to invest in projects that drive community related results. It is government’s responsibility to ensure that proper technical vetting and legal processes for all major investments have been followed. The Boulet administration will continue to maintain and develop critical infrastructure while prioritizing transformative infrastructure investments to propel the successes of the City and Parish. Specific revitalization projects include but are not limited to the University Corridor, Louisiana Avenue Extension, Johnston Street Revitalization, and I-49 Connector. These projects in addition to strategic utility and fiber expansions, will improve traffic flow, enhance streetscapes and gateways, and increase connectivity across our region. Community input and engagement will remain a core tenant in bringing these projects to life. Featuring intentional placemaking and accessible, multi-use sidewalks, these revitalization initiatives are critical investments that will boost commerce, improve property values and ensure healthy growth for today and for generations to come.
- **Quality of Life and Culture** – Through policies that prioritize sustainable development that supports a healthy environment and preservation of our rich cultural heritage, Lafayette Consolidated Government under the Boulet administration, aims to create environments where our families and our citizens can thrive economically, physically, socially, and culturally. These efforts are pivotal in fostering a vibrant and inclusive society for future generations to enjoy. In 2024, park improvements at Brown Park, Thomas Park, and Moore Park are scheduled to be completed, impacting nearby residents and visitors alike. These greenspaces in particular will spark interest from regional and national sporting tournaments and thus economic boosts for local hotels, restaurants, and stores while also maintaining the integrity of and access to neighborhoods in which they serve. Enhancements to our connectivity and walkability and continued celebration of Lafayette’s rich French and Creole culture will also help to cement Lafayette as not only a “Top Place to Travel” (*TravelLemming.com*) but also a destination for growing businesses like Buc-ees to plant new roots and encourage continued economic growth and development. Most importantly, this administration wants to have a quality of life our children can raise their families in, while also having interesting careers opportunities. That same quality of life attracts our growing number of boomerangs who move home bringing invaluable knowledge and talents they have learned in other parts of world, enhancing our rich culture and strengthening the basic fabric of who we are.

STRATEGIC PLANNING

PlanLafayette

A Comprehensive Plan, PlanLafayette, (https://www.lafayettela.gov/docs/default-source/d-p-documents/planlaf-2015-amended-dec2021.pdf?sfvrsn=e8d9de87_2) is a long-range plan or “guidebook” for a community’s growth, development and redevelopment. It is a vision for the future that plans for a twenty-year time period, based on local conditions, values and aspirations. It is called comprehensive because it coordinates the efforts of many different aspects of a community, such as land use, transportation, and economic development.

PlanLafayette 2035 was adopted by the Lafayette City-Parish Planning Commission on June 10, 2014. The Lafayette City-Parish Council endorsed PlanLafayette by resolution on Tuesday, July 1, 2014.

The plan is a living document that will always be amended to reflect changes in the community. A major amendment is to occur every five years. Staff has prepared Annual Reports to the Planning Commission to keep the commission up to date on implementation.

Downtown Action Plan

Downtown Lafayette is the heart of the Acadiana region. This Downtown Action Plan (“Plan”) (https://www.lafayettela.gov/docs/default-source/d-p-documents/downtown-action-plan.pdf?sfvrsn=ae8c949b_2) provides a vision for how we can leverage this important asset for the benefit of the entire region. The plan replaces the 1989 Growth Management Program and serves as a regional economic development tool.

Planning and Zoning Commissions

The LCG charter requires the capital improvement budget proposed by the administration be submitted to the City and Parish Planning and Zoning Commissions (Commissions) prior to submission of the budget to the Councils. The Commissions review the capital improvement budget for conformance to the master plan.

Future Plans

Looking to our future is critical in how we spend our money. Lafayette Parish is a small geographical parish with ongoing growth and high demand for more housing stock. This administration will work with its citizens to set goals of what we want Lafayette to look like in 10 or 20 years. The rural areas of Lafayette are faced with new development challenges every day. What used to be quiet country roads are no longer quiet. The unincorporated areas have limited resources and new short- and long-term challenges. We will set a path forward together.

The oldest parts of the City of Lafayette are in dire need of revitalization. We are challenged to look at our “old house” and map out a plan of new energy and revitalization from the Acadiana Mall to the Northgate Mall. This will take our whole community to accomplish but our government can start by addressing utility lines, connectivity and blight. Engaging in revitalization with long term economic development and stability in mind is our goal. As the University Avenue Gateway and Corridor goes through its own transformation, and we begin to focus on Johnston Street with critical action, revitalization efforts take root and new energy will spread. This is an exciting time for Lafayette’s future.

FINANCIAL POLICIES

Fund/Department Structure

The Annual Operating and Five-Year Capital Improvement Budget of Lafayette Consolidated Government includes various funds that are budgeted and accounted for separately. Categorized into Governmental and Proprietary, the funds are as follows:

Governmental Funds are used to account for most tax-supported activities.

The City General Fund and Parish General Fund are the government’s primary operating funds. These funds account for all financial resources except those required to be accounted for in other funds.

Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are legally restricted or committed to expenditure for specific purposes (other than debt service or capital projects). The term

“proceeds of specific revenue sources” indicates that one or more specific restricted or committed revenues should be the foundation for a special revenue fund. Those specific restricted or committed revenues may be initially received in another fund and subsequently distributed to a special revenue fund. Those amounts should be recognized not in the fund initially receiving them but rather in the special revenue fund in which they will be expended in accordance with specified purposes. Special revenue funds should not be used to account for resources held in trust for individuals, private organizations, or other governments.

The restricted or committed proceeds of specific revenue sources should be expected to continue to comprise a substantial portion of the inflows reported in the fund. Other resources (investment earnings and transfers from other funds, for example) also may be reported in the fund if those resources are restricted, committed, or assigned to the specific purpose of the fund.

Debt Service Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. Debt service funds should be used to report resources if legally mandated. Financial resources that are being accumulated for principal and interest maturing in future years also should be reported in debt service funds.

Capital Projects Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for major capital outlays, including the acquisition or construction of capital facilities and other capital assets. Capital projects funds exclude those types of capital-related outflows financed by proprietary funds or for assets that will be held in trust for individuals, private organizations, or other governments.

Proprietary Funds are used to account for the City-Parish business-type activities.

Enterprise Funds may be used to report any activity for which a fee is charged to external users for goods and services. Generally Accepted Accounting Principles require the use of an enterprise fund for any activity whose principal external revenue sources (1) are used for debt backed solely by fees and charges or (2) are required, either by a policy decision or law, to recover the cost of providing services of a particular activity (including capital costs such as depreciation or debt service).

Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the City-Parish on a cost-reimbursement basis.

Governmental Accounting Standards Board (GASB) Statement No. 34 requires that funds be classified as major or non-major. Governmental Funds designated as major funds are the City General Fund, Parish General Fund, Sales Tax Cap Improv-City Fund, 1961 Sales Tax Cap Improv-City Fund, and 1985 Sales Tax Cap Improv-City Fund. The Enterprise Funds that are reported as major funds are Utilities System Fund and Communications System Fund. All other funds are designated as non-major.

The fund structure for LCG is especially complex. City and Parish funds are accounted for separately due to the source of revenue and authority granted by the voters of both the City and the Parish. As a result, LCG maintains both a City General Fund and a Parish General Fund. Combined, there are over fifty general governmental funds (special revenue, debt service, and capital projects), three internal service funds, and five business type funds.

Most of the general operating expenses are budgeted in the City General Fund and allocated between the City and Parish General Funds based on the City-Parish Funding Source Allocations study prepared by MGT of America Consulting, LLC.

The allocations are performed using one of several methods of allocation depending on the nature of the services being distributed. There are over 25 different allocation methods. The City-Parish Allocation Schedule Summary can be found in the Budget Overview & Highlights Section of this document along with a list of allocation methods.

The department is the highest organizational structure in LCG’s hierarchy and each department’s operating and capital expenses can be budgeted in one or more funds depending on that department’s functions or activities. A listing of departments and the types of funds that support their expenditures is shown below.

Auditing, Accounting, and Financial Reporting

LCG’s accounting and financial reporting systems are maintained in conformity with generally accepted accounting principles (GAAP) and standards of the Governmental Accounting Standards Board (GASB). An enterprise resource system is maintained containing all financial modules including a fixed asset module which maintains the identity of all assets, their location, historical cost, useful life, and depreciation calculations as well as the department responsible for the control of the asset.

An independent accounting firm audits the financial records of the government annually and issues an audit opinion on the financial statements of the governmental activities, the business type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information. The most current audit for period ending October 31, 2023 received an unmodified opinion in that all reports presented fairly and were in conformance with generally accepted accounting principles.

Investment Management

The Cash Management Rules and Guidelines of LCG address the following areas:

- Scope, Prudence, and Objectives
- Delegation of Authority
- Authorized Financial Dealers and Institutions and Diversification in Authorized and Suitable Investments
- Collateralization
- Safekeeping and Custody

It is the policy of LCG to invest public funds in a manner which conforms to existing Louisiana State Statutes governing the investment of public funds and LCG's Home Rule Charter while receiving a maximum rate of return. LCG's Investment Policy has the following objectives: safety, liquidity, yield, and public trust. Authorized security purchases include:

- U.S. Treasury Bills, Notes, and Bonds with maturities not to exceed two years.
- Federal agency and instrumentality coupon debentures and discount notes with maturities not to exceed two years-limited to Federal Home Loan Bank, Federal National Mortgage Association, Federal Farm Credit Bank, and Federal Home Loan Mortgage Corporation.
- Repurchase agreements with a maturity not to exceed six months on the above securities collateralized at a minimum of 102 percent of the purchase price of the repurchase agreement.
- The purchase of any securities listed in the first two bullets in excess of two years must be pre-approved in writing by the Chief Financial Officer.

Fund Balance Policy

Governmental funds report the difference between their assets and liabilities as fund balance. Under generally accepted accounting principles (GAAP), fund balance is divided into two major components; Nonspendable and Spendable. Nonspendable is that portion of fund balance that is not available for appropriation because the assets it represents are not in a spendable form, such as inventory. Spendable Fund Balance is further broken down into four categories; restricted, committed, assigned, and unassigned. It is the unassigned portion of fund balance that can be appropriated without external or internal restrictions. It is the intent of LCG administration to maintain at a minimum its unassigned fund balance for the City and Parish General Funds at 20% of the total fund's operating expenses. Under this policy, LCG administration, in its budgeting process, submits a proposed budget to the City Council & the Parish Council that adheres strictly to the fund balance requirements. This policy has not yet been ratified by the City Council & the Parish Council and during the budget adoption process the Councils may, at their discretion, amend the budget in such a way that this policy is violated. In such cases, policy violations will be discussed in the administration's transmittal letter in the final budget document. Additionally, the City Council & the Parish Council may be asked to provide a discussion of these decisions and, if provided, will be included in the final budget document as well.

Debt Policy

LCG's debt is issued primarily as a financing tool for infrastructure (such as streets, drainage, and utilities) and infrastructure improvements. A careful balance between debt financed projects and pay-as-you-go capital projects is maintained. Capital projects that may be funded by debt are evaluated within the context of LCG's long range capital plan and debt is only issued after careful consideration of current debt levels, economic conditions, the availability of alternative funding sources, and key debt and liquidity ratios. Bond covenants require that the average annual revenues for the City of Lafayette sales tax collections for the two (2) most recent fiscal years must equal or exceed 1.5 times the highest combined principal and interest requirements for any succeeding fiscal year on all City sales tax bonds outstanding. It is the administration's policy to maintain a higher City sales tax ratio of 2.0.

Louisiana Revised Statutes limit the Parish's general obligation bonded debt for other purposes to 10% of the assessed valuation of the taxable property for a single purpose with no limit on the number of purposes. The City may issue general obligation bonded debt in excess of 10% of the assessed valuation of the taxable property for any single purpose provided that the aggregate for all such purposes (determined at the time of issuance of the bonds) does not exceed 35% of the assessed valuation of the taxable property of the City.

Compliance with all bond covenants, bond ordinances, contracts, etc. are monitored. Additionally, required financial data and event information are uploaded to the Electronic Municipal Market Access (EMMA) which is the official repository for information on virtually all municipal bonds.

Revenue Policy

LCG endeavors to have a diversified and stable revenue system to protect against unforeseeable short-term fluctuations in any one revenue source. Revenue forecasts are based on the best information available and take into consideration historical trends, current economic factors (such as property assessments and retail sales trends), and projected activity. Revenues are budgeted conservatively but if economic downturns develop, which could result in revenue shortfalls, adjustments in budgeted expenditures are made to compensate. LCG establishes and monitors user fees and charges based on the cost of services and community benefit. Services may be subsidized as the Councils deem necessary. The use of one-time revenues or those of an unpredictable nature to fund on-going expenditures is discouraged. LCG pursues alternate methods of financing such as federal and state grants and intergovernmental agreements.

Expenditure Policy

All department directors share in the responsibility of looking at and understanding LCG's long-term financial viability, the general spending trends of their respective departments, the projected departmental revenues, and educating themselves and their staff on the necessary short and long-term balance between revenues and expenses. Departmental budgets are submitted to the administration with these responsibilities in mind and budgets are typically zero-based or status quo with little or no increases to expenditures contemplated. As the administration evaluates budgetary requests, higher priority is given to expenditures which provide direct public services and public health and safety. The highest priority is given to the payment of bonds, notes, contracts, accounts payable, and other monetary liabilities. An appropriate balance between these priorities and the dollars provided towards the assurance of good management and legal compliance is strived for.

Capital Improvements

LCG maintains a Five-Year Capital Improvement Program (including anticipated funding sources) which is updated annually and is approved by the City Council & the Parish Council during the budget process. Capital improvement projects are defined as infrastructure, equipment purchases, or construction that results in a capitalized asset and having a useful life of more than one year.

In addition to a Five-Year Capital Improvement Program, Section 5-05 of the Home Rule Charter requires that a Capital Improvement budget must include the estimated annual cost of operating and maintaining the capital improvement to be constructed or acquired.

Proposed capital projects are reviewed by departmental directors, staff, and administration. Priority of projects is based on financial sources available and/or debt considered and overall consistency with LCG's goals and objectives.

Internal Controls and Fiscal Monitoring

Financial systems will maintain internal controls to monitor revenues, expenditures, and program performance on an ongoing basis. As required by the Home Rule Charter and/or internal written policy, monthly financial reports are prepared as well as departmental meetings held to review status of revenues and expenditures and compliance to the adopted budget.

Distinguished Budget Presentation Awards Program

LCG's budget will be submitted to the GFOA Distinguished Budget Presentation Awards Program for FY 2024-2025. LCG presented its budget to the award program for fiscal years 2014 to 2024. The GFOA Distinguished Budget Award was given for those submissions. The budget should satisfy criteria as financial and programmatic policy documents, a comprehensive financial plan, an operations guide for all organizational units, and a communications device for all significant budgetary issues, trends, and resource choices.

Basis of Accounting

The government-wide, proprietary, and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Nonexchange transactions in which the government gives (or receives) value without directly receiving (or giving) equal value in exchange include property taxes, grants, and entitlements. On an accrual basis, property taxes are recognized in the year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Sales taxes are considered "measurable" when in the hands of the Sales Tax Collector and are recognized as revenue at that time. Ad valorem taxes are recognized as revenue in the year they are budgeted, that is, in the year in which such taxes are billed and collected. Revenue from grants, entitlements, and donations is

recognized in the fiscal year in which all eligibility requirements have been satisfied. All other receivables collected within 60 days after year-end are considered available and recognized as revenue of the current year. Expenditures are recorded when the related fund liability is incurred except for principal and interest on general long-term debt, claims and judgments, and compensated absences which are recognized to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources. Except for miscellaneous supplies warehoused at central locations and issued to operating departments as needed, purchases of various operating supplies are regarded as expenditures at the time purchased.

Basis of Budgeting

The budget is reported using the current financial resources measurement focus, as described in the Basis of Accounting section, and is consistent with GAAP. Appropriations define the cash limits that cannot be exceeded. No reference is given to when revenues are earned or expenses are incurred. For budgetary purposes, these items are only recognized when received or paid. Non-cash items such as depreciation and amortization are not budgeted.

Differences between Basis of Accounting and Basis of Budgeting

Some of the differences between the basis of budgeting and the accounting basis are:

- Debt payment for principal-budgeted as an expense item, adjusted at year-end against the liability.
- Depreciation recorded for proprietary and enterprise funds on an accrual basis, eliminated for budget purposes.
- Encumbrances are recorded as a reserve of budgeted funds on the cash basis and recorded as a committed portion of fund balance on the accrual basis.
- Compensated absences are adjusted annually using the accrual method but on the cash basis for budgeting are absorbed by salaries.

This budget complies with all relevant financial policies.

BUDGETARY POLICIES

In addition to the Home Rule Charter budgetary submission requirements and administrative responsibilities discussed below, LCG adheres to the Louisiana Revised Statutes Title 39 Chapter(s) 1301-1315-Louisiana Local Government Budget Act. Of specific note is R.S. 39:1305 that requires the submission of a budget where "...proposed expenditures shall not exceed the total estimated funds available for the ensuing fiscal year." LCG uses this definition as the meaning of a balanced budget and all adopted budgets follow this statute.

The fiscal year for Lafayette Consolidated Government is November 1 through October 31. The Home Rule Charter requires that at least ninety days prior to the beginning of each fiscal year, an operating budget and a capital improvement budget be submitted to the City Council & the Parish Council. The Clerk of the Council then publishes a joint public hearing notice at least ten days prior to the date the budget is presented to the public for a formal public hearing. The notice is required to include a general summary of the proposed budget, the times and places where copies of the budget are available for public inspection, and the location, date, and time of the joint public hearing.

If the City Council & the Parish Council fail to adopt a budget before the end of the current fiscal year, the budget for the current fiscal year continues in effect for a maximum of six months into the next fiscal year and is limited to fifty percent of the amount appropriated for the current fiscal year.

The Charter also requires that the operating budget presents a complete financial plan for the ensuing year and that the following be included in the operating budget document:

- A budget message prepared by the Mayor-President.
- A general budget summary with proposed budgeted amounts, actual amounts for the last completed fiscal year, and estimated amounts for the year in progress.
- Detailed estimates of all proposed expenditures showing the corresponding estimated expenditures for each item for the current fiscal year and actual amounts for the last preceding fiscal year.
- Manning or organizational tables for each of the departments, agencies, or programs.
- Detailed estimates of all anticipated revenues and other income showing the corresponding estimated revenue or income for each item for the current fiscal year and actual figures of the last preceding fiscal year.
- Statement of the indebtedness of the City-Parish Government showing debt redemption and interest requirements, debt authorized and unissued, and conditions of the sinking funds.
- A proposed complete draft of the appropriation ordinance.
- A clear general summary of the capital improvement budget.
- A list of all capital improvements and acquisitions for at least five fiscal years.
- Cost estimates, recommended method of financing, and the estimated annual cost of operating and maintaining the capital improvements.

If during the fiscal year the Mayor-President certifies that there are available for appropriation funds in excess of those estimated in the operating budget, the Mayor-President may present a supplement to the budget for the disposition of such funds and the appropriate Council(s), by ordinance, may make supplemental appropriations for the year up to the amount of such excess in the same manner required for adoption of the budget. If at any time during the fiscal year it appears to the Mayor-President that the funds available will be insufficient to meet the amount appropriated, the Mayor-President shall report to the appropriate Council(s) without delay, indicating the estimated amount of the deficit, any remedial action taken, and recommendations as to any other steps to be taken. The appropriate Council(s) shall then take such further action as it deems necessary to prevent a deficit. No appropriation for debt service may be reduced or transferred below any amount required by law.

With the exception of amounts appropriated for debt service and salaries, the Mayor-President can transfer any amount unencumbered within departments during the year. Amounts cannot be transferred to or from the salary account unless approved by the appropriate Council(s) by ordinance(s). Every appropriation, except an appropriation for a capital expenditure, lapses at the close of the fiscal year to the extent that it has not been expended or encumbered. An appropriation for a capital expenditure is allowed to continue in force until the purpose for which it was made has been accomplished or abandoned; however, any capital appropriation with no disbursements or encumbrances for three years is deemed abandoned.

ADMINISTRATIVE BUDGET PROCESS

The Chief Financial Officer (CFO) is responsible to recommend to the Chief Administrative Officer (CAO) a timeline and plan to facilitate the budget process for the next fiscal year. The approved budget calendar and budget instructions were delivered to department heads in March of this year. At weekly director's meetings throughout April and May,

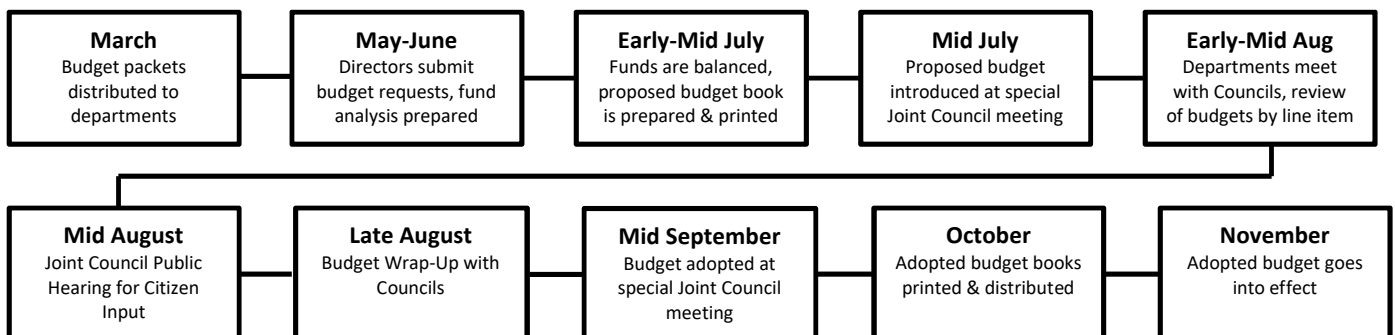

the department heads were apprised of the results of the previous fiscal year and of anticipated challenges facing the City-Parish for the current and next fiscal year.

The Budget Management Division and the CFO’s staff worked tirelessly during June and July to ensure that all funds were balanced and to identify over-expended funds. Together with the CAO, changes to budgetary line items were made to keep the proposed budget in line with the priorities set by the Mayor-President.

The public is invited to attend and speak at all department budget meetings held August 8 – August 15, as well as the public hearing for citizen input on August 20. The schedule of department budget meetings can be found on LCG’s website under Council Office (https://lafayettela.gov/docs/default-source/council-documents/2024-council-budget-review-schedule.pdf?sfvrsn=c17243c1_1). This schedule is published on LCG’s social media pages and in the local newspaper. The department budget meetings are also announced during the Council Meetings that are locally broadcasted and live streamed.

Copies of the budget are available for public use in the public libraries, the Council Office, the Mayor-President’s Office and LCG’s Information Desk. Online versions of the budget are posted on LCG’s website under Finance & Management (<https://www.lafayettela.gov/finance-management/lcg-budget-documents/default>). A Citizen’s Guide to the Budget has been published and is posted on LCG’s website under Finance & Management (https://www.lafayettela.gov/docs/default-source/finance-management-documents/budget-files/citizen's-guide-to-the-budget.pdf?sfvrsn=659a3308_2). The approved budget calendar for preparation of the FY 2024-25 budget is as follows:

- Mar 12** Budget calendars, instructions, and forms are e-mailed to department heads.
- Mar 13-May 17** ... Departments prepare budget requests and return same to Budget Management.
- May 30-June 13** .. Mayor-President, CAO, and CFO review O&M and Capital budgets.
- June 24-July 5** Budget Management balances, analyzes, and completes proposed budget. CFO meets with CAO and Mayor-President to finalize proposed budget.
- July 8** Finalized proposed budget is submitted for printing.
- Aug 12, Aug 19**.... Five-Year Capital Improvement Budget is submitted to City & Parish Planning and Zoning Commissions.
- July 16** Special Joint Council meeting for the introduction of Operating & Five-Year Capital Improvement Budget.
- Aug 8-Aug 15** Department-City and/or Parish Council budget meetings.
- August 20** Public hearing for citizen input.
- August 29** Public meeting for wrap up of outstanding items.
- September 12** Special Joint Council meeting for final adoption. Meeting postponed due to potential hurricane.
- September 17** Rescheduled Special Joint Council meeting for final adoption.
- November 1** Adopted budget goes into effect.

Fund #	Fund	Fund Type	Description	Appropriated	Included in Budget	Included in ACFR
101	City General Fund	Major-General	This fund accounts for and reports all Lafayette City financial resources not accounted for and reported in another fund by law or by GAAP. It is the general operating account for the City.	Yes	Yes	Yes

702	Central Vehicle Maintenance	Internal Service	This fund manages, maintains, and repairs LCG fleet vehicles consisting predominately of City buses, public safety vehicles, and various heavy equipment.	Yes	Yes	Yes

**Grants are budgeted at zero-appropriations until funds are awarded by the grantor. With the budget award, appropriations are done by separate ordinance.

MAYOR-PRESIDENT'S MESSAGE

Monique B. Boulet
Mayor-President / Maire-Président

November 1, 2024

Citizens of Lafayette Parish and
City and Parish Council Members

SUBJECT: Adopted FY 2024-2025 Budget Message

Dear Citizens of Lafayette Parish and Council Members,

Enclosed you will find the Adopted Operating and Capital Budget for the Fiscal Year 2024-2025. The budget as approved totals \$752.1 million. This fiscal year can be characterized as a right-sizing year for the fiscal policy and budget practices of Lafayette Consolidated Government (LCG). As this administration completes its initial budget cycle, LCG is returning to normalized funding levels and migrating away from the infusion of one-time federal ARPA funds. The budget also addresses the negative implications a 12% vacancy rate is having on our ability to provide basic government services.

The 2024-2025 budget re-establishes proper planning, reengages internal checks and balances, and addresses the long-term financial implications of administrative decisions. The value of doing things right the first time should not be taken for granted. It is almost always more cost effective, more productive and leads to greater success.

The City General Fund balance is preserved at \$50.3 million, an amount well above the administrations required 20% threshold. Additionally, the budget also protects the finances of the Parish with a projected Parish General Fund balance of \$4.6 million.

Measures for Improving Basic Services

To address underlying issues that surfaced in every department with low staffing levels and low employee wages, this budget moves our employee pay structure closer to market standards, which had not been addressed in over 15 years. Our employees are integral to delivering and maintaining essential services resulting in the high quality of life our community desires. To that end, the Council adopted a system-wide pay plan, increasing the lowest paid jobs to \$12/hour pay range, while providing the highest paid employees with a 2% increase. This will create a more competitive workforce and a more effective government. This initiative allows us to compete with other municipal governments in the Parish, reduces turnover, lowers dependency on outsourcing, and enhances service delivery to improve the overall quality of life in our community.

Measures for Enhancing Public Safety

Public safety is a basic service government is designed to provide. Investment in and good management of the government cannot be taken for granted, especially in areas impacting public safety. Our administration prioritized public safety through initiatives including long-term funding for the increase in police pay, setting professional standards in the search for a new police chief, the re-establishment of the Criminal Justice Coordinating Committee, the reorganization of emergency management, and the reinstatement of the park police in partnership with the City Marshal's Office. These efforts all aim to safeguard our communities and enhance public safety and emergency response capabilities across the Parish.

Implementing Financial Stewardship

The cornerstone of this budget is financial stewardship, where conservative budgeting practices are instituted to mitigate risks. Through the adoption of realistic budgeting reflective of actual financial needs and resources, we aim to strengthen our financial resilience and ensure long-term fiscal sustainability. Reducing unnecessary litigation speaks for itself in areas of cost reduction and fiscal stewardship. In addition, we are engaging a safety consultant for safety training, working to reduce costly and preventable accidents. Our goal is to realize cost savings by reducing both legal expenses and uninsured losses. Additionally, this administration has passed legislation at the state level to bring stability to LCG's retirement benefits costs. Senate Bill 478 was passed in the 2024 Regular Legislative Session to re-amortize LCG's share of the Municipal Employee's Retirement System (MERS) Unfunded Accrued Liability. This re-amortization, pushing our payments from a 10-year payback to a 20-year payback, will allow for an estimated 52% reduction in annual payments. As more employees transition to the Parochial Employee's Retirement System (PERS), this change will prevent a significant increase in overall retirement benefits costs on an annual basis for LCG.

Vehicle maintenance and capital costs continue to increase due to the highly aged fleet of 1,100 units. Therefore, as part of this budget, the City and Parish have adopted a vehicle leasing program to provide for safe, reliable, low-cost government vehicle solutions. The new leasing program will provide for the end-to-end fleet management services with detailed and accurate reporting data, reducing annual maintenance and vehicle replacement costs.

Allocation of Strategic Investments

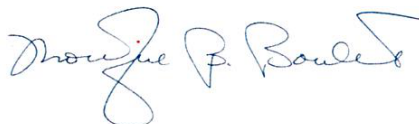

Strategically investing to revitalize the oldest parts of our city and parish while planning for the areas of new growth is critical to our sustainability. This budget allocates resources to build connectively with extensive shared paths and to revitalize major roadways such as I-49 at Evangeline Thruway Corridor, Johnston Street, University Avenue, 12th Street, Congress, and Bertrand while sustaining considerable investment in Lafayette's downtown. This administration will take on the decades old question of bringing a new birth to Johnston Street. Lafayette's Gateways hold historical significance and cultural heritage that ought to be preserved and celebrated through revitalization projects.

Measures for Addressing Growth in Unincorporated Lafayette

A focus of this administration and budget is tailored to the unique needs of our unincorporated growth areas. This includes public outreach to open the conversation about what Lafayette Parish will look like in 20 years. We are a small geographic parish with lots of growth in our rural areas happening all over the Parish and will begin to discuss questions like land use and long-term desires of our residents to meet the growing demands of rural Lafayette. We welcome new growth in the Parish but want to ensure the appropriate infrastructure is available and able to accommodate new growth areas. Public feedback will be essential in how we move forward as this administration tackles the urban challenges facing our rural areas.

Lastly, I would like to extend my deepest gratitude to my executive staff, department directors and especially the finance and budget team. I firmly believe that this budget reflects the collaboration among the Administration and Council Members that include the needs of our community and government.

Remaining in partnership with you for Lafayette.

FROM: Monique B. Boulet

SUBJECT: Proposed FY 2024-2025 Budget Message

Esteemed Council Members, enclosed you will find the Proposed Operating and Capital Budget for the Fiscal Year 2024-2025. This fiscal year can be characterized as a right-sizing year for the fiscal policy and budget practices of Lafayette Consolidated Government (LCG). As this administration enters its initial budget cycle, LCG is returning to normalized funding levels and migrating away from the profusion of one-time federal ARPA funds. This fiscal year budget process also sets out to address the negative implications a 12% vacancy rate is having on our ability to provide basic government services.

The 2024-2025 budget process emphasizes the need to re-establish proper planning, reengage internal checks and balances, and understand the long-term financial implications of administrative decisions. The value of doing things right the first time should not be taken for granted. It is almost always more cost effective, more productive and leads to greater success.

The overall Proposed 2024-2025 Budget totals approximately \$750.1 million. As a best practice, the Government Finance Officers Association (GFOA) recommends a minimum fund balance level of 20% of the total fund's operating expenses. This budget aims to preserve the City General Fund balance of \$50.1 million, an amount well above the recommended 20% threshold. This proposed budget also protects the finances of the Parish with a projected Parish General Fund balance of \$4.6 million. The City currently has an administrative policy in place for fund balance levels, and easily retains the 20% minimum in its General Fund, while the Parish has historically struggled to reach this goal. We are presenting a Parish budget compliant with the 20% fiscal guidance. We are also recommending that the City and Parish Councils adopt by ordinance the 20% minimum General Fund balance requirement, strengthening the City's policy and creating much needed stability for the Parish budget.

Measures for Improving Basic Services

Upon assuming office, this administration inherited a vacancy rate of more than 12% wherein 270 positions were left unfilled. Fundamental government services, such as waterline repairs, LCG vehicle maintenance, transit services and law enforcement patrol, are experiencing significant negative impacts by low staffing. A 12-month backlog to repair waterline breaks is unacceptable. LCG is outsourcing labor to reduce the backlog but cannot maintain contract costs long-term. In addition, patrol deficiencies within our police department, while experiencing spikes in violent crime, are also unacceptable. The public prioritizes public safety and expects its fiscal policy to do the same.

A key underlying issue that has surfaced in every department in addition to low staffing levels, is low employee wages that have not been corrected to market standards in over 15 years. An employee working 3 months in our mechanic shop can and often will leave for a private sector job easily making twice the pay. Over 67 employees making less than \$10/hour while the private sector has far surpassed our pay scale at all levels, resulting in disproportionate vacancies and a negative impact on basic services.

Our employees are integral to delivering and maintaining essential services resulting in the high quality of life our community desires. To that end and in accordance with limitations created by the civil service structure, we are proposing a system-wide pay plan, increasing the lowest paid jobs to \$12/hour while providing the highest paid employees with a 2% increase. This will create a more competitive workforce and a more effective government. To achieve this, departments were asked to reevaluate all positions, eliminating some to help offset the expense of more competitive pay for others. This initiative allows us to compete with other municipal governments in the Parish, reduces turnover, and enhances service delivery to improve the overall quality of life in our community.

Measures for Enhancing Public Safety

Public safety is a basic service government is designed to provide. Investment in and good management of the government cannot be taken for granted especially in areas impacting public safety. Our administration is prioritizing public safety through initiatives including long-term funding for the increase in police pay, setting professional standards in the search for a new police chief, the re-establishment of the Criminal Justice Coordinating Committee, the reorganization of emergency management and preparedness and the reinstatement of the park police in partnership with the City Marshal's Office. These efforts all aim to safeguard our communities and enhance public safety and emergency response capabilities across the Parish.

Implementing Financial Stewardship

The cornerstone of this budget is financial stewardship, where conservative budgeting practices are instituted to mitigate risks. Areas of particular note include high uninsured losses totaling \$8.9 million government-wide (actual balances were \$6.6 million in 2023, with projections exceeding \$7 million in 2024) and legal expenses which increased by 40% over the last four years. Through realistic budgeting reflective of actual financial needs and resources, we aim to strengthen our financial resilience and ensure long-term fiscal sustainability. Reducing unnecessary litigation speaks for itself in areas of cost reduction and fiscal stewardship. In addition, we are engaging a safety consultant for safety training working to reduce costly and preventable accidents. By this time next year, our goal is to realize cost savings by reducing both legal expenses and uninsured losses. Additionally, this administration has passed legislation at the state level to bring stability to LCG's retirement benefits costs. Senate Bill 478 was passed in the 2024 Regular Legislative Session to re-amortize LCG's share of the Municipal Employee's Retirement System (MERS) Unfunded Accrued Liability. This re-amortization, pushing our payments from a 10-year payback to a 20-year payback, will allow for an estimated 34% reduction in annual payments per employee that transitions from MERS to the Parochial Employee's Retirement System (PERS). As more employees transition to PERS, this change will prevent a significant increase in overall retirement benefits costs on an annual basis for LCG.

In looking for significant costs savings for the City and the Parish and in considering the extreme cost of vehicle maintenance for a highly aged fleet of 1,100 vehicles, this administration will be bringing in a new vehicle lease program. This will significantly reduce the cost of vehicle maintenance while also reducing immediate capital demands.

Allocation of Strategic Investments

Strategically investing to revitalize the oldest parts of our city and parish while planning for the areas of new growth is critical to our sustainability. The proposed budget allocates resources to revitalize major roadways such as I-49, Johnston Street, University Avenue, 12th Street, Congress, and Bertrand while sustaining considerable investment in Lafayette's downtown. This administration will take on the decades old question of bringing a new birth to Johnston Street. Lafayette's Gateways also hold historical significance and cultural heritage that ought to be preserved and celebrated through revitalization projects.

Measures for Addressing Growth in Unincorporated Lafayette

A focus of this administration is tailored to the unique needs of our unincorporated growth areas. This includes public outreach to open the conversation about what Lafayette Parish will look like in 20 years. We are a small geographic parish with lots of growth in our rural areas. It is happening all over the Parish. We will discuss questions like land use and long-term desires of our residents to meet the growing demands of rural Lafayette. We welcome new growth in the Parish but want to ensure the appropriate infrastructure is available and able to accommodate new growth areas. Public feedback will be essential in how we move forward as this administration tackles the urban challenges facing our rural areas.

Lastly, I would like to extend my deepest gratitude to my staff, including the finance and budget team. This year is a first for many and I firmly believe that this budget reflects the needs of our community and government.

Remaining in partnership with you for Lafayette.

CHIEF FINANCIAL OFFICER'S PROPOSED BUDGET DISCUSSION

Internal Memorandum

Finance & Management
Chief Financial Officer (0100)

TO: Mayor-President Boulet

DATE: July 8, 2024

THRU: Rachel Godeaux

FROM: Karen V. Fontenot

SUBJECT: Proposed FY 2024-2025 Budget Message

In accordance with Section 5-02 of the City-Parish Home Rule Charter and the guidelines established by your office, I am pleased to present to you the Proposed Operating and Five-Year Capital Improvement Budget for Lafayette Consolidated Government for FY 2024-25. This document reflects a balanced budget totaling \$750.1 million including inter-fund transfers and capital expenditures other than the Five-Year Capital Improvement Program. This is approximately \$39.9 million more than the budget adopted for FY 2023-24. In addition, the Lafayette Consolidated Government Non-Utilities Five-Year Capital Improvement Program budget totals \$370.5 million and the Utilities System Five-Year Capital Improvement Program budget totals \$605.9 million. The following is an explanation of some highlights with comparisons to the FY 2023-24 current budget as well as FY 2022-23 audited financials.

FUND BALANCE POLICY

Since the City and Parish General Funds are the primary operating funds for governmental activities, it is recommended that fund balances be maintained at a level that allows for flexibility and protection against temporary revenue shortfalls and unexpected one-time expenses. To that end, this administration adopted an ending fund balance policy requiring a minimum maintenance level of 20% of annual operating expenditures for the City and Parish General Funds. In FY 2021-22 and FY 2022-23, unexpended appropriations totaled \$22.3 million and \$17.0 million, respectively. Unexpended appropriations increase the fund balance above the budgeted amount. To ensure that decisions included in this budget can be funded beyond this budget year, the same limitation was applied to the additional three projected years on the City General Fund and Parish General Fund Pro Formas included in the Budget Overview & Highlights section of this budget.

This proposed budget and three-year projections are in compliance with this policy as shown below.

(continued on the next page)

City General Fund:

	Proposed		Projected	
	FY 24-25	FY 25-26	FY 26-27	FY 27-28
Total Expenditures	\$ 127,519,976	\$ 126,777,313	\$ 127,322,267	\$ 128,388,132
Net Increase/(Decrease)	(5,288,377)	(3,006,865)	(1,984,265)	(1,453,312)
Ending Fund Balance	\$ 50,129,727	\$ 47,122,863	\$ 45,138,597	\$ 43,685,285
Ending Fund Balance as a Percent of Expenditures	39.31%	37.17%	35.45%	34.03%

Parish General Fund:

	Proposed		Projected	
	FY 24-25	FY 25-26	FY 26-27	FY 27-28
Total Expenditures	\$ 18,661,505	\$ 18,174,683	\$ 18,451,143	\$ 18,735,492
Net Increase/(Decrease)	(284,081)	90,943	113,044	132,974
Ending Fund Balance	\$ 4,629,165	\$ 4,720,108	\$ 4,833,152	\$ 4,966,126
Ending Fund Balance as a Percent of Expenditures	24.81%	25.97%	26.19%	26.51%

REVENUES

Total estimated revenues excluding inter-fund transactions, grants, and use of prior year fund balance in this proposed FY 2024-25 budget total \$671.8 million compared to \$638.1 million in the original adopted FY 2023-24 budget. The \$33.7 million difference is primarily due to estimated increases in utilities system revenues of \$10.0 million, interest on investments of \$10.4 and general property taxes of \$4.9 million over the prior year's budget. The assessed valuation used for Fiscal Year 2024 budget (Tax Year 2023) was based on tax year 2022 assessed valuation. The assessed valuation for tax year 2023 increased by 5.67% for the City and 8.55% for the Parish. Once again, revenues from federal and state grants that have not yet been awarded are not included in this budget; however, we will continue to pursue these grants and will present budget revisions as they are awarded.

Communications System Revenues	53,760	50,800	2,960	5.83%
Interest On Investments	19,793	9,367	10,426	111.32%
Contribution fr Public Enterprises	2,234	2,430	(196)	-8.08%
Miscellaneous Revenues	20,981	20,668	314	1.52%
Total	\$ 671,842	\$ 638,145	\$ 33,697	

General Property Taxes (Ad Valorem) are budgeted based on actual collections for the first seven months of the current fiscal year. The ten-year history of assessed valuation for the Parish and the City are shown in the graph below.

Parish & City Property Tax History
Net Assessed Valuations
 (in millions)

City and Parish sales taxes in this budget are based on trends realized during the last 12 months. City sales taxes are projected to decrease \$247 thousand or 0.002% in the current 2023-24 fiscal year from actual FY 2022-23 collections and Parish sales taxes are projected to remain constant for the same period. The very small projected decrease in City sales taxes is

based on a very conservative estimate, and it is likely that actual collections will exceed these estimates. While the proposed budget is based on recent trends, sales tax collections will need to be closely monitored during the fiscal year. Lafayette's stable sales tax collections are evidence of Lafayette's success in maintaining its status as an economic hub for our region.

General Property Taxes are expected to increase by \$5.0 million or 5.3% due to a projected increase in property tax assessments. Sales Taxes are expected to increase \$2.1 million or 1.88% due to increased taxable sales. Charges for Services are expected to increase by \$3.8 million or 5.92% due to reimbursements from all departments to Risk Management for uninsured losses claims. Fines and Forfeits are projected to decrease \$770 thousand or 26.3% due to a decrease of city court civil fees collected. Utilities System Revenues are expected to increase \$10.0 million or 3.81% due to incremental rate increases on utility services. Communications Systems Revenues are expected to increase by \$2.96 million or 5.8% due to an increase in customer retail sales. Interest on Investments is expected to increase \$10.4 million or 111.3% due to improved investment portfolio performance.

Twenty-two percent (22%) of the City General Fund's revenue is attributable to in lieu of tax (ILOT) by the Utilities System Fund. The amount of ILOT included in this budget is \$26.6 million. However, the actual ILOT transfer could be substantially reduced based on decreases in cash flow. Those decreases can be due to increases in operational expenses, including expenses related to emergency weather related events, fluctuations in fuel cost, and increases in inventories such as coal.

There are two parts to the ILOT calculation. The first part of the calculation is the identification of taxable revenues and the second part of the calculation is often referred to as "the test". For the test, the amount of money left over after all the operating expenses and debt service are paid is compared to the amount of calculated ILOT. Increases in debt service, operating expenses, or inventory without a corresponding increase in revenue will have a negative effect on the amount of ILOT available. Continued monitoring of this fund's operations will be necessary to reduce the impact of ILOT fluctuation on the City General Fund.

This proposed budget includes an ILOT payment of \$3.1 million from the Communications System Fund. This is the third ILOT paid to the City General Fund from the Communications System (LUS Fiber). The calculated ILOT payment is reduced by the amount of imputed taxes paid by the system.

APPROPRIATIONS

Proposed expenditures, including inter-fund transactions and capital outlay, total \$750.1 million compared to \$710.2 million adopted for the current fiscal year. Net operating expenditures total \$459.8 million compared to \$435.6 million adopted for the current fiscal year.

Comparative Summary of Expenditures & Other Financing Uses
Amounts in Thousands

Department	Total Appropriations			Net Operations		
	FY 2024-25	FY 2023-24	Increase/ (Decrease)	FY 2024-25	FY 2023-24	Increase/ (Decrease)
Finance	\$ 46,823	\$ 43,947	\$ 2,876	\$ 4,930	\$ 4,916	\$ 15
General Accounts	77,921	73,934	3,988	9,361	10,758	(1,397)
Elected Officials & Related Offices	43,223	39,505	3,717	34,333	31,602	2,731
Legal	2,329	2,469	(141)	2,329	2,469	(141)
Dept of Innovation & Technology	15,105	12,153	2,952	6,122	5,615	506
Police	53,700	49,929	3,771	44,546	40,663	3,883
Fire	42,540	41,610	929	36,089	33,861	2,229
Public Works	69,098	59,981	9,117	29,332	26,429	2,903
Drainage	17,127	18,152	(1,025)	11,247	10,459	789
Traffic, Roads & Bridges	25,884	27,097	(1,213)	19,609	18,061	1,548
PARC - Parks & Recreation	16,825	16,228	598	14,251	12,919	1,332
Community Devel. & Planning	9,117	9,162	(45)	7,224	7,163	60
Others	15,442	14,425	1,017	15,428	14,415	1,013
Utilities System	267,987	257,604	10,383	195,676	189,365	6,311
Communications System	46,990	44,013	2,978	29,361	26,925	2,437
Total	\$750,111	\$710,209	\$ 39,902	\$459,838	\$435,619	\$ 24,219

The total increase of \$39.9 million is largely due to transition from use of one-time ARPA dollars back to normalized funding levels and funding sources. The increase can also be attributed to a pay plan increase for classified employees at a cost of \$7.5 million across all departments. The increase of \$10.4 million in the Utilities System is due to \$3.8 million to implement the new pay plan, a \$3.1 million increase in purchased services, materials and supplies, and a \$1.2 million increase in ILOT payments. The Public Works increase of \$9.1 million is primarily due to an increase in capital appropriations of \$6.1 million and a CPI increase in LCG's contract for garbage collections of \$2.8 million.

The City General Fund is budgeting \$1.1 million to cover the 2% COLA for retired police and firefighters who were retired from active service prior to 1999 and were merged with the various state retirement systems. This payment started in 2008 when the state systems did not grant a full 2% COLA. Since 2008, the City General Fund has paid \$9.8 million to retired police and firefighters. The amount proposed in this budget is \$561 thousand for retired firefighters and \$516.5 thousand for retired police.

Both the City General Fund and the Parish General Fund provide operating subsidies to other funds. These subsidies reduce the funds available to provide general governmental services.

The Adult Correctional Center Fund has not been fully self-funded since the mid 1990's. The Courthouse Complex Fund and the Parish General Fund have provided over \$30.2 million and \$7.4 million, respectively, in operating subsidies to the Correctional Center Fund. Included in this proposed budget is another \$2.0 million expected to come from the Courthouse Complex Fund to the Correctional Center Fund for FY 2024-25. The Courthouse Complex millage is sufficient to cover the operating expenses of the fund and support some of the operating expenses of the Correctional Center Fund in this proposed budget. Capital improvements and increased

operating expenses in the Courthouse Complex Fund will limit the amount of funds available to provide future operating subsidies to the Correctional Center Fund.

The following table shows the various funds receiving operating subsidies from the City General Fund, the Parish General Fund and the Courthouse Complex Fund:

**Current and Future Operating Subsidies from General Funds
(In Thousands)**

FUND	Budget 2023-24	Proposed 2024-25	Projected if costs increase 2% annually		
			2025-26	2026-27	2027-28

*From Courthouse Complex Fund

The City General Fund subsidy for the Municipal Transit System in this proposed budget is \$3.0 million. The average subsidy over the past five years is \$1.8 million. The increase is due to the expiration of the FY 2020 CARES Act funding. This funding was used for operations and maintenance as well as capital improvements relieving some of the liability on the City General Fund. Since 2000, the City General Fund has subsidized the Municipal Transit System by \$44.1 million through fiscal year ended October 31, 2023.

Employer contribution rates to the statewide retirement systems continue to increase. There are many different statewide systems included in LCG's payroll. The Municipal Employees Retirement System (MERS), the Parochial Employees Retirement System (PERS), the Firefighters Retirement System (FRS), and the Municipal Police Employees Retirement System (MPERS) are the four with the largest participation. This budget assumes contribution rates for these four systems at 28.00%, 11.50%, 33.25%, and 35.60%, respectively. Funding for the required payment from LCG to MERS according to Louisiana RS 11:1733 or other amounts related to LCG's retirement system changes for new employees are included in this proposed budget. The actual amount due will vary depending on employee changes during the year. If necessary, a budget amendment will be presented during the fiscal year to adjust this expense.

FUND BALANCE

The City General Fund is budgeted to end next fiscal year with a fund balance of \$50.1 million or 39% of budgeted annual expenditures and is projected to use \$5.3 million of fund balance. The Parish General Fund is budgeted to decrease by \$284 thousand and to end the year with a fund balance of \$4.6 million or 24.8% of budgeted annual expenditures.

The ending fund balance and the use of fund balance for both the City General Fund and the Parish General Fund for this proposed budget and the projected three years thereafter fall within the acceptable range according to the administration’s ending fund balance policy discussed at the beginning of this memorandum.

All revenues and existing fund balance in the City 1961 Sales Tax Capital Improvement Fund and City 1985 Sales Tax Capital Improvement Fund are budgeted for capital projects. As projects are completed, any unused appropriations will be returned to fund balance during the year through budget amendments adopted by the City Council. Any additions to projects included in this proposed budget will require a corresponding decrease in current or proposed projects.

PERSONNEL

Total personnel is expected to decrease by 6. The changes in the various departments are summarized below.

Department	Net Change #
Elected Officials/Judicial/Other	7
Elected Officials Executive	3
Innovation & Technology	-1
Police	-5
Public Works	-8
Drainage	-3
Traffic, Roads & Bridges	-9
Parks Arts Recreation Culture	1
Community Development & Planning	1
Utilities	3
Communications System	5
Total	-6

Elected Officials/Judicial/Other increased by a net of seven positions. Four of these positions are within the City Marshal’s Office in order to reinstate the City Park Police, four registered nurse positions are within the Coroner’s office to implement the Sexual Assault Nurse Examiner (SANE) program, and one District Court Judge secretary position was eliminated. Police personnel decreased by a net of five positions with the addition of one Deputy Chief of Police and the removal of six records clerk positions. Public Works decreased by eight positions. Drainage decreased by a net of three positions. One Labor Foreman I will be added to assist with roadside debris removal and drainage flushing. Drainage removed four additional positions. Traffic, Roads and Bridges decreased by a net of nine positions. A labor Foreman III was added to provide needed support for Grounds Maintenance, and eight other positions were removed. The Police, Public Works, Drainage, and Traffic, Roads and Bridges positions removed were evaluated by each department and determined that they were not needed in the upcoming fiscal year. Utilities increased by three positions, adding a Water/Wastewater Trouble Shooter, a Water/Wastewater Supervisor, and a Wastewater Plant Operator in order to accommodate future departmental restructuring and plant operations needs. The Communications System increased by a net of

five positions, including three positions in Customer Service, one Installation Tech, and the addition of three new positions and removal of two positions in Engineering, in order to more efficiently operate and support the growing needs of the Communications System.

Promotions and new positions presented throughout this proposed budget were included at the request of each department director. Budget Management works with Human Resources and Civil Service to insure that no promotion or new hire is granted without the approval of Civil Service.

The salaries and related benefits include a one-time pay plan adjustment for eligible employees and is deemed to satisfy the mandated 2% longevity for eligible firefighters. Raises included in this budget under the promotion line items are the result of recommendations by Civil Service based on Civil Service Rule IV Section 1.9.

GROUP HEALTH/LIFE INSURANCE FUND

The employer and employee contributions for group health premiums are expected to remain the same as the prior year. An employee with single coverage will have a cost of \$21.13 per pay period and LCG will have a cost of \$210.59. An employee with family coverage will have a cost of \$180.23 per pay period and LCG will have a cost of \$423.30. Total premium contributions are projected to generate \$21.8 million for self-insured group hospitalization insurance expenses.

The proposed premium structure for group health insurance is shown in the following table.

	<u>Monthly Premium</u>	<u>Per Pay Period Premium</u>		<u>Monthly Premium</u>
Employee Coverage				
Employee Cost	45.79	21.13		
LCG Cost	<u>456.28</u>	<u>210.59</u>		
Total Cost	502.07	231.72		
Family Coverage			Retiree Family Coverage	
Employee Cost	390.49	180.23	Employee Cost	851.36
LCG Cost	<u>917.15</u>	<u>423.30</u>	LCG Cost	<u>456.28</u>
Total Cost	1,307.64	603.53	Total Cost	1,307.64

FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM

The Consolidated Government's Non-Utilities Five-Year Capital Improvement Program totals \$370.5 million. Of that amount, \$100 million is financed with new bond proceeds over a five-year period for the City. We have been balancing our capacity to issue bonds with our ability to pay for them from sales tax proceeds while maintaining adequate coverage ratios and pay-as-you-go capital funds. New bond issues in this proposed budget maintain a strong 3.73 to 3.9 coverage ratio (3.81 average coverage ratio) of sales tax revenues to debt service payments without entering into any debt restructuring.

(continued on the next page)

AD VALOREM MILLAGES

The following ad valorem millages will expire in 2025:

Purpose		Millage Amount	Expiration Year
Combined Public Health	Parish	1.98	2025
Parishwide Fire Protection	Parish	0.23	2025
Storm Water Management	Parish	1.10	2025
Parishwide Fire Protection	Parish	0.175	2025
Roads & Bridges	Parish	0.075	2025

EXCELLENCE IN BUDGET PRESENTATION

The Budget Management Division of the Office of Finance and Management continues to demonstrate its commitment to providing high quality service and excellence in financial reporting. For eleven consecutive years through FY 2023-24, the Office of Finance and Management has received the “Distinguished Budget Presentation Award” from the Government Finance Officers Association (GFOA) of the United States and Canada for our Annual Operating & Five-Year Capital Improvement Budget. This national award is the highest professional recognition in governmental budgeting. To receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, an operations guide, a financial plan, and a communications device. We believe our current budget continues to conform to the program requirements, and we are submitting it to GFOA upon adoption to determine its eligibility for another award.

CLOSING

We continue to see many changes in the regulatory environment for governments issuing municipal bonds. We are subject to increased surveillance and monitoring by the rating agencies and increased disclosure requirements. It is important that we continue to maintain a strong bond rating in order to obtain the best interest rates as we continue our capital improvement plan. The financial policy regarding fund balance in the City General Fund is one tool that helps us obtain the best bond rating for our government. Future recommendations regarding the sustainable use of fund balance should be considered.

I wish to thank you, CAO Rachel Godeaux, Budget Manager Denise Deville, the award-winning Budget Management staff, Financial Analyst Laura Grettner, the Directors, and CFO staff for their assistance in preparing this document. We look forward to working with you and both the City and Parish Councils in implementing this financial plan for the upcoming fiscal year.

Sincerely,

Karen V. Fontenot, CPA
Chief Financial Officer

Lafayette Consolidated Government 2024 - 25 Adopted Budget

PROPERTY TAX REVENUE LAST TEN YEARS

Property Tax Revenue is budgeted based on the assessed valuation received from the Lafayette Parish Assessor.

Parish-wide property taxes are subject to a homestead exemption of \$75,000. Taxes levied only within municipal boundaries are not subject to the exemption.

Statutory deductions from parish-wide property taxes to fund statewide retirement systems for assessors', clerks of court, sheriffs', district attorneys', and other statewide systems are budgeted as an expense under the account titled "Tax Deductions - Retirement".

The Fiscal Year 2025 Budgeted Property Tax Revenue is projected to increase 2.26% over current year projections.

SALES TAX REVENUE LAST TEN YEARS

Sales Tax Revenue is budgeted based on a 1% increase over the Fiscal Year 2024 projections.

**Lafayette Consolidated Government
2024 - 25 Adopted Budget**

**IN LIEU OF TAX REVENUE
LAST TEN YEARS**

ILOT is budgeted to provide approximately 24% of the City General Fund revenues. It is budgeted based on the prior years' actual calculated payment.

In Lieu of Tax Revenue (ILOT), more commonly referred to as Payment In Lieu of Tax (PILOT), is the payment made from the Utilities Department to compensate the City's General Fund for taxes and fees it would otherwise receive from a privately owned utility.

**CHARGES FOR SERVICES
LAST TEN YEARS**

LCG is self-insured for workers' compensation, general liability, errors and omissions, automobile liability, fleet collision, and property as well as employee health. LCG's home rule charter requires all funds, including internal service funds, be included in the annual budget. Self insurance premiums total \$26.9 million and are recorded as a revenue in the internal service fund and as an expense in the fund using the service.

Charges for Services is budgeted to increase by 1.42% and is primarily due to the expected increase in Self Insurance Revenues and Refuse Collection Charges.

**Lafayette Consolidated Government
2024- 25 Adopted Budget**

**UTILITIES SYSTEM REVENUES
LAST TEN YEARS**

Sales of electricity, water, and wastewater are budgeted to increase 1.03% over current year projections.

**COMMUNICATIONS SYSTEM REVENUES
LAST TEN YEARS**

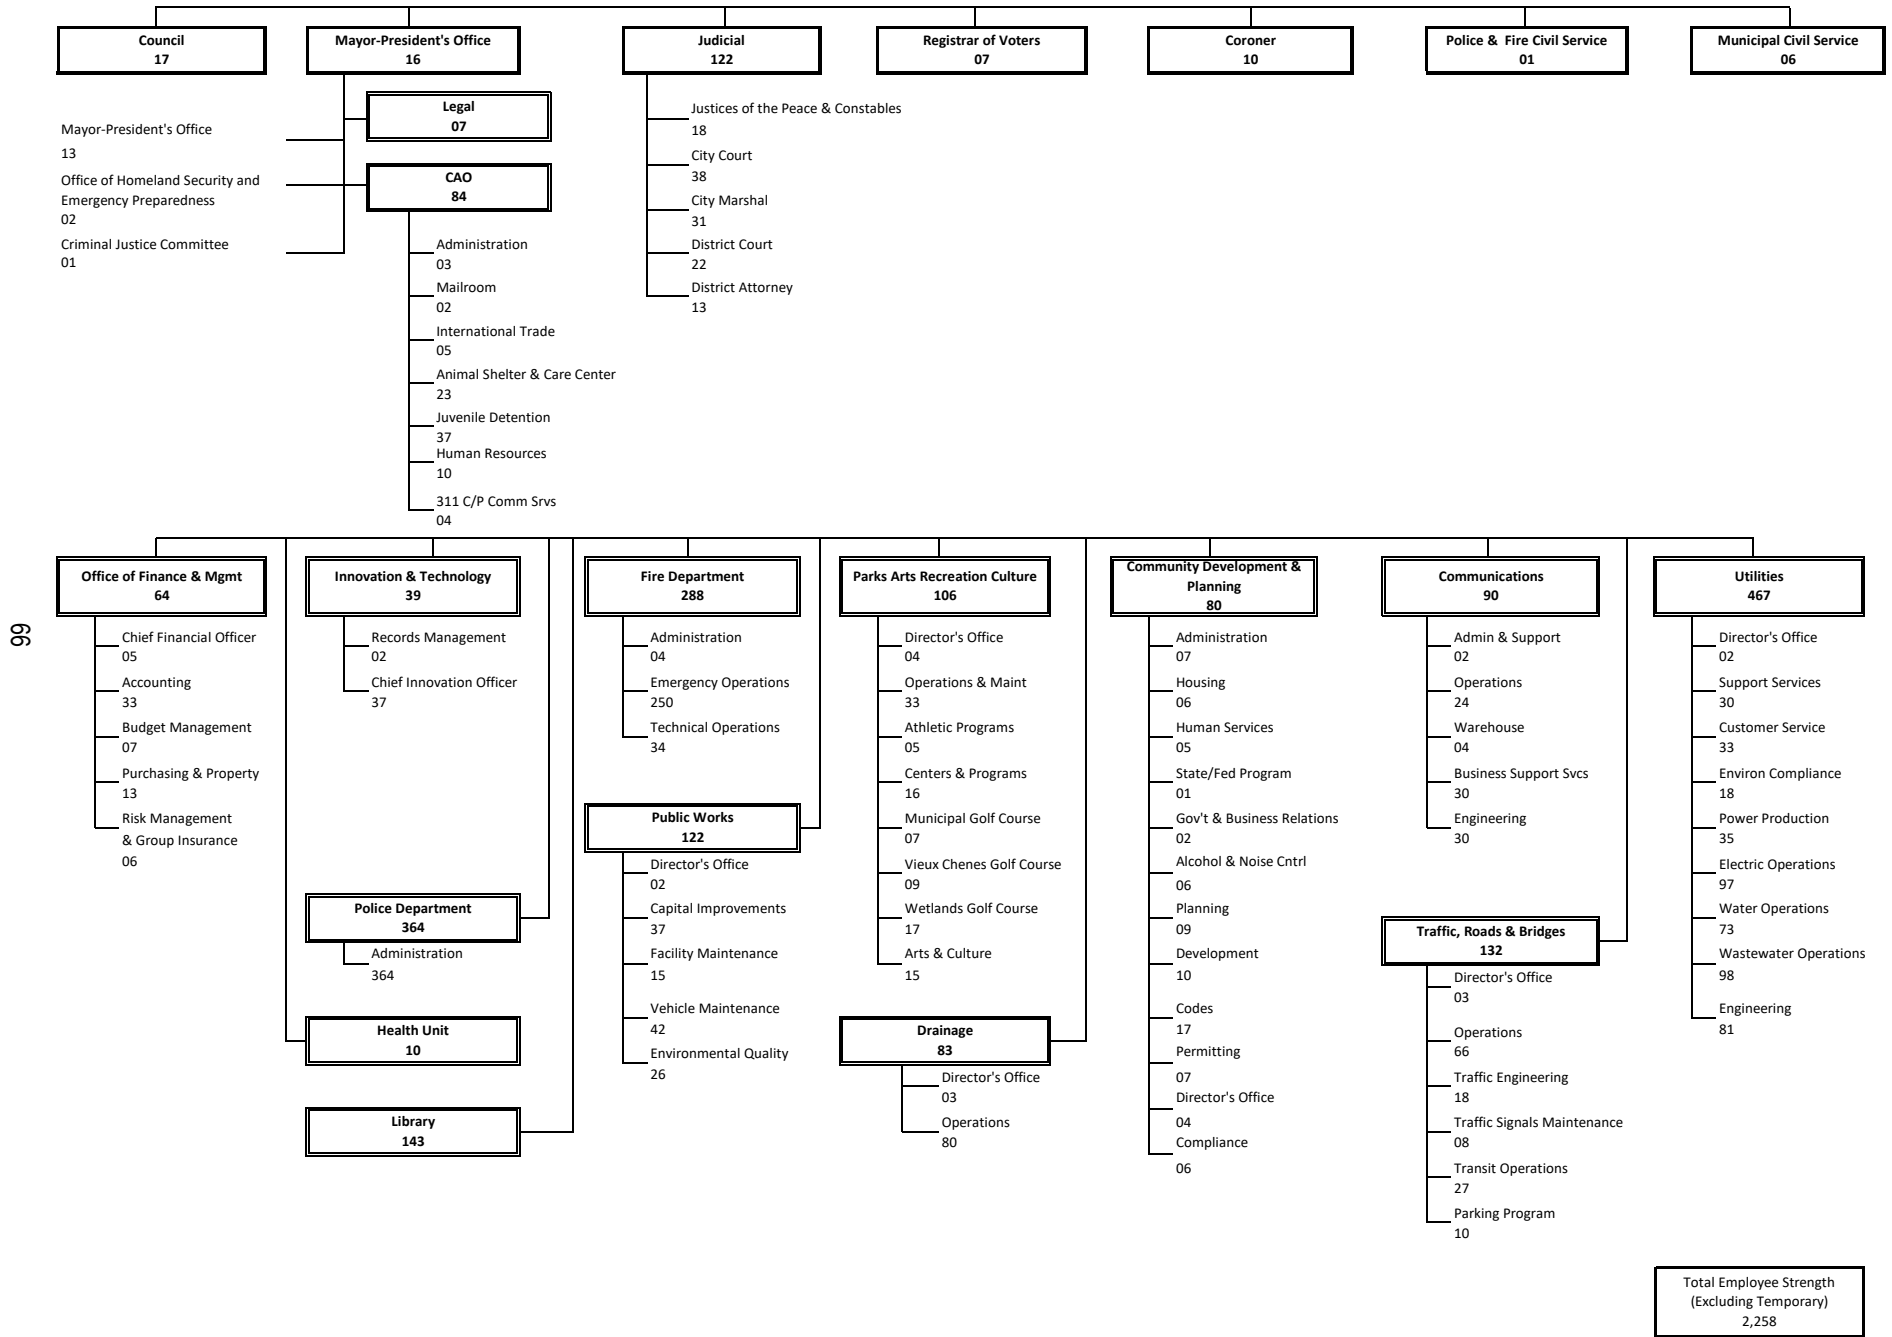

Sales of internet, cable television, and telephone are budgeted to increase 18.30% over current year projections. The system started providing retail services in 2009 and is expected to continue to grow as new customers add and transfer their service to the Communications System.

NOTES:

- Difference in interfund transfers is transfers from non-operating funds not reported in this budget.
- Capital Outlay on this schedule reflects new capital outlay from 2024-25 fiscal year revenues. This schedule includes grant capital and director's reserves reported in this budget. It does not include new capital from bond proceeds and prior year accumulated retained earnings. For this reason, the capital outlay amounts reported on this schedule do not reconcile to the capital numbers reported on the Budget Overview & Highlights Tab, the total capital in the Capital Appropriations Section and the capital numbers reported in the Five-Year Capital improvement Program Section.

ELECTED OFFICIALS-LEGISLATIVE/JUDICIAL/OTHER

Lafayette Councils effective January 6, 2020, the Lafayette City-Parish Council was replaced by two separate councils consisting of five members each, those being the:

- Lafayette City Council – The Lafayette City Council serves as the governing authority of the City of Lafayette.
 - Lafayette Parish Council – The Lafayette Parish Council serves as the governing authority for the Parish of Lafayette.
- The City Council and the Parish Council, jointly, serve as the governing authority for Lafayette City-Parish Consolidated Government. Each Council member is elected for a four-year term. Council members serve as the voice of their constituents and, along with the Mayor-President, provide leadership and direction through the legislative process to the various departments of the Consolidated Government.

Statistical Information:

DESCRIPTION	FY 2021-22	FY 2022-23	FY 2023-24 ESTIMATED	FY 2024-25 PROJECTED
Number of Council Meetings Held	68	69	72	70
Number of Ordinances & Resolutions	456	439	400	431

Justice of the Peace and Constables are independently elected officials serving six-year terms. Justices of the Peace have limited judicial authority over both civil and criminal matters. Constables are executive officials that execute processes issued by Justices of the Peace such as evictions and garnishments.

City Court has jurisdiction to hear cases that deal with the City of Lafayette municipal ordinances, traffic violations, parking violations, and cases where the amount disputed or value of the property involved does not exceed \$15,000.

City Marshal is an independently elected official serving six-year terms. The Marshal serves as the executive officer of the City Court. He executes orders and mandates of the court, makes arrests, and preserves the peace. He serves notices and summonses and executes arrest warrants issued by the court.

15th Judicial District Court has original jurisdiction over all civil and criminal matters and is the exclusive original jurisdiction of felony cases and most cases involving property.

District Attorney is an independently elected official serving six-year terms. The District Attorney prosecutes criminal cases for the parishes of Acadia, Lafayette, and Vermilion, which make up the 15th Judicial District. State statutes require the Lafayette Parish General Fund to provide funding in whole or in part for District Attorney operations within its parish borders.

Adult Correctional Center is operated by the Sheriff of the Parish of Lafayette in accordance with Louisiana state statutes. The Sheriff provides for the secure custody of all persons incarcerated. The budget of the Adult Correctional Center includes costs associated with the feeding, housing, and medical needs of inmates during incarceration.

Registrar of Voters Office is responsible for the registration of voters and for the administration and enforcement of the laws and regulations of the Secretary of State related to the registration of such voters.

Coroner’s Office provides a broad and varied spectrum of technical and legal services to all of Lafayette Parish. It includes mental health, sexual assault cases, autopsies, and death investigations. The findings of the Coroner’s Office can be admissible as court evidence. Other than approval of its budget through Lafayette Consolidated Government, the Coroner’s Office is an autonomous Parish governing authority and is overseen by the Coroner, an independently elected official who serves four-year terms.

ELECTED OFFICIALS-EXECUTIVE

Mayor-President is the CEO of City-Parish Government and has general executive and administrative authority over all departments, offices, and agencies of Lafayette Consolidated Government (LCG). Mayor-President Monique B. Boulet was elected at-large and will serve one four-year term before the next election in 2027. Mayor-President Boulet recognized the need to rebuild trust in our government and ensure that every decision made reflects the best interests of our citizens.

Measures for Improving Basic Services: This fiscal year is a right-sizing year for the fiscal policy and budget practices in LCG. The budget increases the lowest pay range minimum from \$8.68 per hour to \$12 per hour, while providing the highest paid employees with a 2% increase, and increases all other ranges proportionally. We reduced 36 unfilled positions, creating a more honest budget process, and will prioritize filling vacant positions through targeted recruitment efforts, hiring events, and competitive compensation packages, and collaborate with educational institutions and workforce development agencies to cultivate a pipeline of qualified candidates to meet current and future staffing needs

Measures for Enhancing Public Safety: Prioritizing public safety through long-term funding for the increase in police pay, setting professional standards in the search for a new police chief, the re-establishment of the Criminal Justice Coordinating Committee, the reorganization of emergency management, and the reinstatement of the park police. These efforts all aim to safeguard our communities and enhance public safety and emergency response capabilities across the Parish.

Implementing Financial Stewardship: The cornerstone of this budget is financial stewardship, where conservative budgeting practices are instituted to mitigate risks as we work towards reducing unnecessary litigation and engaging a safety consultant for safety training working to reduce costly and preventable accidents. State legislation brings stability to LCG’s retirement benefits costs and to re-amortize LCG’s share of the MERS UAL, pushing our payments from a 10-year to a 20-year payback, will allow for an estimated 34% reduction in annual payments per employee that transitions from MERS to the PERS. Due to extreme cost of vehicle maintenance for an aged fleet of 1,100 vehicles, we implemented a new vehicle lease program significantly reducing the cost of vehicle maintenance while also reducing immediate capital demands.

Allocation of Strategic Investments: Strategically investing to revitalize the oldest parts of our city and parish while planning for the areas of new growth is critical to our sustainability with resources to revitalize major roadways such as I-49, Johnston St., University Ave., 12th St., Congress, and Bertrand while sustaining considerable investment in Lafayette’s downtown. Lafayette’s Gateways also hold historical significance and cultural heritage and will be preserved and celebrated through revitalization projects.

Measures for Addressing Growth in Unincorporated Lafayette: There are unique needs in our unincorporated growth areas, which includes public outreach to open the conversation about what Lafayette Parish will look like in 20 years. We are a small geographic parish with lots of growth in our rural areas. We aim to plan for land use and long-term desires of our residents to meet the growing demands and welcome new growth in the Parish but want to ensure the appropriate infrastructure is available and able to accommodate.

Chief Administrative Officer supervises the directors and the operations of all departments, offices, and agencies of Lafayette Consolidated Government with the exception of the Legal Department. The CAO also directly supervises Juvenile Detention, Lafayette International Center, and Human Resources.

Performance Measures:

311 City-Parish Communication Service:

Goal: Increased information sharing with the public and increased citizen participation. This was accomplished by promoting LCG’s 311 service via social media, public service announcements, media outlets, and road signs.

Animal Shelter & Care Center:

ELECTED OFFICIALS-LEGAL

Legal Department is responsible for providing legal representation and support services to all areas of City-Parish Government.

Duties include serving as chief legal advisor to the Mayor-President, the City and Parish Councils, and all governmental departments, commissions, offices, and agencies. The City-Parish Attorney reports directly to the Mayor-President as appropriate, relative to the legal matters of the City-Parish Government to ensure the highest levels of professionalism and efficiency in legal services and generate positive results through effective legal representation.

City Prosecutor is responsible for representing the City and Parish of Lafayette in City Court for violations of any ordinances including speeding, parking violations, DUI, littering, noise, grass cutting, etc. As an Assistant District Attorney, at the DA's discretion, he may also be called upon to prosecute other misdemeanor offenses in City Court.

FINANCE & MANAGEMENT

Office of Finance & Management exists to oversee and manage, according to all applicable laws and standards, the Accounting, Budgeting, Group Insurance, Purchasing, Property, and Risk Management functions within LCG. The department must produce accurate and timely financial information for citizens, councils, employees, and management in order to facilitate sound decisions. In performing these functions, its staff must at all times operate within the bounds of strict fiduciary duty with regards to taxpayer assets.

Statistical Information:

DESCRIPTION	FY 2021-22	FY 2022-23	FY 2023-24 ESTIMATED	FY 2024-25 PROJECTED
Group Insurance Claims Processed:				
Medical Claims	70,828	79,988	77,351	77,131
Prescription Claims	70,163	73,741	55,271	57,819
Items processed for Deposit through Accounting	4740	4752	4507	4646
Number of Budget Revisions Processed	1,196	1,258	1,032	1,200
Purchase Orders Issued	17,454	18,180	20,000	20,000
Contracts Finalized	463	433	400	400
Number of Fixed Assets over \$1,000 Added	1,384	1,289	700	700
Subrogation Recoveries	\$643,493	804,930.38	\$817,912	\$725,000

Status of FY 2023-24 Goals and Operational and Budgeted Goals for FY 2024-25:

- In FY23-24, the Accounting Division implemented remote deposit which has reduced the number of deposit corrections and staff time related to physical deposits. In FY24-25, Accounting will go live with a new ERP software and begin implementation on Phase II which includes the Payroll portion. There will be a rollout of credit card acceptance with the new ERP software to many departments who currently are not setup with this capability.
- In FY 23-24 the Group Insurance and Risk Management divisions continued to stream-line and automate manual processes as well as revamping LCG’s safety program and its policies and procedures manual. In FY 24-25 the divisions goals remain the same, as they are still working to complete their PPMs, particularly as it relates to our safety program. Risk Management is contemplating some changes with the division that may include restricting of positions.
- Purchasing is still working towards our goal of reducing the purchase of paper by at least 25%. This should be realized in the next fiscal year once the new ERP system has gone live and we move more towards electronic documents.
- Budget Management endeavors to properly budget expenditures by department and by fund, in addition to accurately projecting revenues to be used by the administration in making budgetary decisions each fiscal year.

Performance Measures:

PERFORMANCE MEASURE	BENCHMARK	FY 2022-23 ACTUAL	FY 2023-24 ESTIMATED	FY 2024-25 FORECAST/GOAL
Increase number of ACH payments issued	Increase by 5%	4,979	5,050	5,125
Eliminate the use of paper DPR's	Eliminate all	12,167	12,000	2,000
Reduce purchases of paper	Reduce by 25%	30%	35%	40%
Maintain/Increase Accuracy of Revenue Projections (Actual/Budgeted %)	100%	103.2%	101.1%	101.0%

Significant Changes

2023-City and Parish Councils approved pay adjustment during FY2022 increasing salaries and benefits. The addition of three positions also increased salaries and benefits. The increase in Other is primarily due to increases in Medical Claims and Insurance Premiums. The increase in General Accounts is primarily due to increases in Internal Appropriations and Debt Service - Principal.

2024-City and Parish Councils approved a 2% pay adjustment for FY2024, increasing salaries and benefits. There was also an approved decrease to group insurance premium rates. The increase in Other is primarily due to a major increase in property insurance premiums and its allocation to other departments. The increase in General Accounts is primarily due to increases in Internal Appropriations.

2025-City and Parish Councils approved a Pay Plan for FY2025, increasing salaries and benefits.

INNOVATION & TECHNOLOGY

Innovation & Technology (IT) handles network and infrastructure design, systems integration, operations management of all network systems, software services, GIS services, website design, ERP management, records retention and help desk services. IT is a full-service department that facilitates the needs through current technologies and products utilizing the most sophisticated and cost-effective web and computer managed services. In addition, our mission is to utilize technology to make LCG more efficient and to communicate and provide services for its citizens.

Status of FY 2023-2024 Goals:

- Updated and replaced the current versions of departmental systems within LCG with the latest versions of latest versions.
- Began implementation, configuration and nearing validation phase of the new ERP system. Go-Live slated for January 1st, 2025.
- Added new security Layers and have weekly external security tests run.
- Assigned and deployed new cyber security training course
- Launched new modules for Fire department.
- Update configuration and features within mobile app for improved flow and notifications

Operational and Budgeted Goals for FY 2024-25:

- Maintain the current departmental systems within LCG with the latest versions of the applications or with new applications.
- To continue to provide secure network and data access to everyone who needs access while continuing to replace, upgrade, and maintain the various components throughout the LCG landscape. Given increased cyber-attacks upon governmental entities, it is important to provide a layered approach to security along with continued monitoring, detection, and remediation.
- Begin stage 2 of the new software implementation of Tyler for our new ERP related to training and HR.
- Design and implement new website improving functionality and flow.
- Deploy new mass notification software and public record request software
- To complete projects and work orders by expected completion date. While there are some circumstances beyond IT control that can delay the completion dates, our goal is to have 90% of the projects/work orders completed by the expected due date.

Performance Measures:

PERFORMANCE MEASURE	BENCHMARK	FY 2022-23 ACTUAL	FY 2023-24 ESTIMATED	FY 2024-25 FORECAST/GOAL
Web Projects/Work Orders Resolved	90% within expected due date	94%	96%	90%
ERP Projects/Work Orders Resolved	90% within 2 days	90%	92%	90%
Software Services/Work Orders Resolved	90% within expected due date	90%	91%	96%

Significant Changes

2023-City and Parish Councils approved pay adjustment during FY2022 increasing salaries and benefits. The increase in Other is primarily due to increases in Contractual Services due to software costs, Telecommunications and Temporary Employees.

2024-Two new positions were added (Technical Specialist and GIS Analyst) for FY2024. The significant increase in overall expenditures is primarily due to the planned implementation of a new ERP system for the entire consolidated government.

2025-Both the City & Parish Councils approved a Pay Plan for FY2025 which increased the salaries and benefits.

The net reduction in Personnel Strength was due to removing one Systems Support Specialist position.

POLICE DEPARTMENT

Lafayette Police Department is charged with and dedicates itself to providing efficient and effective law enforcement services to the people of Lafayette. These services include: protection of life and property, preservation of the peace, apprehension of offenders, prevention/deterrence of crime, traffic management, emergency/non-emergency service response and instilling a sense of safety to citizens within our jurisdiction. The Lafayette Police Department is determined to achieve maximum staffing of personnel, training those personnel, and equipping the department with the latest technology to combat crime.

Statistical Information:

DESCRIPTION	FY 2022-23	FY 2023-24 ESTIMATED	FY 2024-25 PROJECTED
Number of Stations	4	5	5
Replacement of generator and HVAC at main station.	\$1,410,000	\$2,100,000	\$2,180,000
Cameras (Neighborhoods, Downtown, Trailers, Intersections, & Parks)	\$1,115,040	\$912,500	\$550,000

Status of FY 2023-24 Goals:

- In FY 2023-24, LPD obtained \$912,500 to support and increase the various camera systems consisting of neighborhoods, downtown, mobile camera trailers, street intersections, and parks. During this time frame LPD was able to install and obtain 575 more camera views throughout the City of Lafayette.
- In FY 2023-24, LPD obtained \$2,180,000 in additional funding toward completion of the replacement of the main station generator and HVAC systems, which are unreliable due to being nearly 40 years old. The HVAC is a 3-year project for full funding.

Operational and Budgeted Goals for FY 2024-25:

- LPD will strive to increase its homicide crime clearance rate to at least 97%.
- In FY 2024-25, LPD plans to use \$1,229,000 in funding for replacement of 68 aged & maintenance-prone police vehicles.
- In FY 2024-25, LPD plans to use \$2,180,000 in additional funding toward completion of the replacement of the main station HVAC systems, which are unreliable due to being nearly 40 years old.
- LPD will continue to reduce the average dispatch to on-scene response times.

Performance Measures:

The Lafayette Police Department’s mission is to serve the community by providing professional, effective, and efficient policing. It is important to identify major concerns of the public and turn those concerns into goals that can be monitored for maximum performance and achievement.

PERFORMANCE MEASURE	BENCHMARK	FY 2022-23 ACTUAL	FY 2023-24 ESTIMATED	FY 2024-25 FORECAST/ GOAL
UCR Homicide Crimes Clearance Rate	97%	93%	97%	97%
Personnel Staffing Capacity	92%	90%	91%	92%
Traffic Fatalities	0	23	14	18
Average Response Time (Dispatch to On-scene)	411 seconds	412 seconds	416 seconds	410 seconds

This schedule is adjusted from the departmental recap schedule as follows:

- ¹ Total Appropriations less capital, plus pension debt service, plus int app-police pension fund
- ² Includes personnel salaries, credential pay, holiday pay, and promotion costs
- ³ 60.6% of line item 1010170-74000-358 allocated to Police Department and 39.4% allocated to Fire Department
- ⁴ Total appropriations less salaries appropriations, pension debt service and uninsured losses

Significant Changes

2023-The pension debt service bonds were refunded with Taxable Limited Tax Refunding Bonds, Series 2020 therefore debt service payments were deferred until 2023. Increase in Uninsured Losses is based upon Risk Management claims report.

2024-The increase in Salaries is primarily due to the City Council approving a Pay Plan and the net addition of five positions (+9 Police Corporals, -4 Police Officers) increasing both salaries and benefits. The decrease in Uninsured Losses is based upon Risk Management claims report.

2025- The increase in Salaries is primarily due to the City Council approving the addition of (1) Deputy Chief of Police position, with a Personnel Strength net loss of five positions (-6 Police Dept Records Clerk, +1 Deputy Chief of Police). The increase in Uninsured Losses is based upon Risk Management claims report.

FIRE DEPARTMENT

Fire Department’s primary mission is to save life and property of the citizens of Lafayette. We accomplish safeguarding and reduction of dangers to life and property, and the environment through innovative training, code enforcement, and prompt dispatch of a qualified fire suppression force.

Statistical Information:

DESCRIPTION	FY 2021-22	FY 2022-23	FY 2023-24 ESTIMATED	FY 2024-25 PROJECTED
Number of Fire Stations	14	14	14	14
Number of Volunteer Fire Departments	7	7	7	7
Number of Calls Answered	9,200	9,592	9,850	9,900
Number of Inspections Conducted	2,400	2,260	2,500	2,850

Status of FY 2023-24 Goals:

- The implementation of First Due, a new Record Management System (RMS), went “live” in September 2023. The new RMS will encompass a robust workforce management application to assist with necessary staffing needs such as shift scheduling, exchange of time, and overtime. The automated application would digitize the process and alleviate hours of manually scheduling employees.
- The department’s transition to expanding our classroom-style training operations model to a virtual platform is complete. Virtual classroom is the way of the future to deliver quality instruction to our firefighters while being fiscally responsible and efficient with time management. The department implemented a virtual training platform to broadcast training requirements to all fire stations and facilities. The implementation of the virtual capabilities will reduce associated expenditures, improving time management and ultimately improving response times.
- First Arriving digital signage application is still in development moving toward implementation in October/November of 2024.
- Fire Station #6 is currently under construction. It is slated to open January of 2025.

Operational and Budgeted Goals for FY 2024-25:

- The Fire Department increased its personnel strength in our Fire Prevention Bureau to provide more effective and efficient service to the business community and the citizens of Lafayette. Community Risk Reduction initiatives will be implemented to reduce fire loss and other hazards.

Performance Measures:

PERFORMANCE MEASURE	BENCHMARK	FY 2022-23 ACTUAL	FY 2023-24 ESTIMATED	FY 2024-25 FORECAST/GOAL
Firefighters Per 1,000 Citizens	2	1.98	1.98	2.02
Fire Responses Per 1,000 Citizens	66.35	70.01	70.37	71.11
Fire Calls Per 1,000 Citizens	1.5	1.34	1.38	1.35
Medical Calls Per 1,000 Citizens	40	45.14	46.72	47.24
Response Time	within 5 min, 20 sec	76%	80%	83%

2023	\$31,070,492	16,150,493	1,099,911	13,820,088	285	0
2024	\$35,510,725	17,975,844	1,098,133	16,436,748	288	3
2025	\$37,523,882	18,069,408	1,084,186	18,370,288	288	0

This schedule is adjusted from the departmental recap schedule as follows:

- ¹ Total Appropriations less capital, plus pension debt service, plus reserve-fire 2% state mandated increase, plus int app-fire pension fund
- ² Includes personnel salaries, holiday pay, and promotion costs
- ³ 39.4% of line item 1010170-74000-358 allocated to Fire Department and 60.6% allocated to Police Department
- ⁴ Total appropriations less salaries and pension debt service

Significant Changes

2023- Decrease in Other is primarily due to decreases in Reserve-Pay Plan, Uninsured Losses based on Risk Management claims report Retirement/Medicare Tax and Overtime offset by increases in Group Health Insurance due to premium rate change. The pension debt service bonds were refunded with Taxable Limited Tax Refunding Bonds, Series 2020 therefore debt service payments were deferred until 2023.

2024- The increase in Salaries is due to the City Council approving a Pay Plan and the addition of three positions (Fire Comm Officer and 2-Fire Inspectors). Increases in Other is primarily due to increases in External Appropriations, Accrued Sick & Annual Leave, and 2% Fire Insurance Premiums (there is a corresponding revenue for this expense).

2025- The increase in Salaries is due to the City Council approving a Pay Plan for the non-Fire personnel and 2% mandated general pay increase for Fire personnel in accordance with Louisiana State Statute.

PUBLIC WORKS

Public Works is primarily responsible for construction and/or maintenance of parish-wide roads, bridges and drainage infrastructure as well as maintenance of over 100 LCG owned buildings and more than 1,750 pieces of equipment. Public Works provides engineering design support services for other departments (except LUS). The Environmental Quality Division is also under the authority of Public Works.

For FY 2024-25, our goals for Public Works include, but are not limited to, providing the following:

Provide Superior Capital Project Delivery

- During FY 2023-24, the division completed 25 capital improvement projects totaling \$29,053,000.
- There are currently 74 planned capital projects with estimated construction costs of \$278,251,000. In addition, Public Works has 31 projects currently under construction valued at \$98,150,000.
- Public Works strives to expedite all aspects of road and drainage construction projects including right of way acquisition, utility relocation, plan preparation, bidding, construction administration, and inspection as well as ensure that all new infrastructure is of the highest quality. Putting our tax dollars to work and getting projects complete is a priority for Public Works.

FISCAL YEAR	FUNDING - TOTAL PLANNED PROJECTS	TARGET UNDER CONSTRUCTION	TOTAL UNDER CONSTRUCTION	PERFORMANCE
23-24	\$278,251,000	35%	\$98,150,000	35%
22-23	\$407,697,000	35%	\$170,112,000	41%
21-22	\$366,731,000	35%	\$135,622,000	36%

Facilities Maintenance and Improvements

- Dedicated to providing quality service by keeping all City facilities maintained in the best condition possible through teamwork.
- Responded to over 935 Requests for Service as part of the division’s on-going maintenance of over 100 LCG buildings.

FISCAL YEAR	OPEN WORK ORDERS	TARGET CLOSURE RATE	TOTAL COMPLETE	PERFORMANCE
23-24	947	95%	909	96%
22-23	954	95%	938	98%
21-22	1,035	95%	1,018	98%

Vehicle Maintenance

- Vehicle Maintenance employees are responsible for keeping City vehicles and equipment on the road, where they are used to provide direct services to the public. Mechanics and other Vehicle Maintenance staff continue to receive training on the repair and maintenance of the more specialized equipment being utilized by LCG.

FISCAL YEAR	OPEN JOBS	TARGET CLOSED RATE	TOTAL COMPLETE	PERFORMANCE

Significant Changes

2023-City and Parish Councils approved pay adjustment during FY2022 increasing salaries and benefits. The increase in Other is primarily due to increases in Environmental Quality Solid Waste line item and Mosquito Control moving from CAO to Public Works.

2024-City and Parish Councils approved a 2% pay adjustment, increasing salaries and benefits. In addition, three positions were removed (Right of Way Agent, Civil Engineering Aide Spec I, and Civil Engineering Aide Spec I) and one created (Capital Improvements Manager) for a net decrease of two. There were also increases in property insurance premiums, utilities, and contractual services.

2025-City and Parish Councils approved a Pay Plan, increasing salaries and benefits. Several positions were removed, resulting in a reduction in Personnel Strength (one Right of Way Agent, one CID Manager, one Painter II, three Janitors and two Fleet Mechanics).

DRAINAGE DEPARTMENT

Drainage Department is dedicated to achieving proficient and effective flood and stormwater control within the 2,570.5 miles of drainage system (consisting of earthen and improved waterways, roadside ditches, and subsurface pipe systems) established throughout Lafayette City-Parish wide. Although drainage systems are of an integrate design and can be influenced by tidal and weather conditions, the Drainage Master Plan (implemented in 2020) emphasizes on providing better management of watersheds and maximizing the drainage systems’ performance through the systemic approach of the decision making, managing ongoing inspection, routine maintenance, and improvement of the systems.

It is the main objective of the department to maximize all efforts used in the day-to-day operations to minimize the risk of flooding of homes and businesses.

Drainage Operations:

- Is primarily responsible for the operation and maintenance of drainage infrastructure as well as provides engineering design support to other sections.
- Has an Operations Dispatch Center (337-291-8517) that field calls (or concerns) related to both drainage and traffic, roads, and bridges. A service request is generated for further assessment through the City Works System, which is a computerized database management system that effectively tracks service requests and work orders.
- Maintains approximately 1,400 miles of roadside drainage, 300 miles of subsurface infrastructure, 20.5 miles of improved channel, and 850 miles of unimproved coulees throughout the Lafayette City and Parish wide area.
- Through the third quarter of FY 2023-24, there were approximately 1,587 service requests received, resulting in 1,039 requests that were either completed, closed, and/or referred to other departments or other requests.

Drainage Maintenance includes:

- Roadside ditch excavation
- Coulee/Outfall excavation
- Repairs to/installation of subsurface drainage pipe and catch basins
- Culvert flushing/vacuuming
- Removal of drainage obstructions/blockages
- Sinkhole repairs (drainage infrastructure/coulee wall)
- Monitor and maintain five (5) pumping stations for flood control
- Monitor and maintain retention/detention ponds for stormwater management
- Management of several maintenance contracts including: Earthen Channel Herbicide Program, Improved Channel Herbicide Program, Roadside Ditch Excavation Contract, Parish Flushing Services, Cure-In-Place Pipe Rehabilitation Contract and the Drone Inspection Service Contract

FY 2024-25 Goals:

- Continue to manage and maintain the recurring Roadside Drainage Maintenance Plan which was established to proactively meet the drainage needs of the Lafayette City and Parish.
- Utilize drone technology and contractual service to inspect earthen and improved channels for blockages or other deficiencies.
- Improve work order management process to increase efficiency and reduce maintenance backlog.
- Although the day-to-day operations are contingent upon the availability of maintenance resources (equipment, employees, funding, and weather), Drainage anticipates increasing preventative maintenance efforts (excavation, construction, and flushing) by developing and implementing rating software (used in conjunction with the Roadside Drainage Maintenance Plan and Earthen Channel Drone Inspection Data) to assess, rate/prioritize, and schedule Contractual and In-house Maintenance Crews.

Performance Measures:

PREVENTATIVE MAINTENANCE PERFORMANCE MEASURE	BENCHMARK	FY 2023-24 ACTUAL (3 rd Qtr.)	FY 2023-24 ESTIMATED	FY 2024-25 FORECAST/ GOAL
No. of Service Requests Closed and/or Referred During the FY	1,000	1,039	1,100	1,200
Culvert Installation	2,000 ft.	1,900 ft.	2,100 ft.	2,500 ft.
Culvert Flushing/Vacuuming (In-House)	50,000 ft.	46,532 ft.	55,000 ft.	60,000 ft.
Culvert Flushing/Vacuuming (Contractor)	100,000 ft.	84,527 ft.	102,000 ft.	110,000 ft.

Significant Changes

2023-(Drainage Department was created during fiscal year 2020 when Public Works Department was reorganized.) City and Parish Councils approved pay adjustment during FY2022 increasing salaries and benefits. The addition of one position also caused salaries and benefits to increase. Increases in Other is primarily due to increases in Contractual Services, Group Health Insurance due to premium rate change offset by reductions to Coulee Maintenance.

2024-Decrease in Salaries is primarily due to the reduction of five Equipment Operator positions. Contract labor will be used as needed. One Labor Foreman III position was added for a net loss of four positions. The reductions in Other are primarily due to reductions in contractual service accounts and in group health premium accounts. These changes resulted in an overall decrease from the prior year, despite the approval of a 2% pay increase by the City and Parish Councils.

2025-Increase in Salaries is primarily due to the City and Parish Councils approving the pay plan. Personnel Strength changed due to the reduction of five Laborer I's, addition of three Laborer II's, addition of one Labor Foreman I, reduction of two Equipment Operator II and a reduction of one Civil Engineering Aide II, for a net reduction of 4 positions. The vacant positions were eliminated based on efficiencies and in order to increase remaining salaries across the board.

TRAFFIC, ROADS, AND BRIDGES DEPARTMENT

Traffic, Roads, and Bridges (TRB) is primarily responsible for maintenance and/or construction of parish-wide roads, bridges, and traffic systems as well as with planning and executing the safe, convenient, and efficient movement of persons and goods through the transportation modes of walking, biking, and auto use throughout Lafayette Parish. As a department that oversees the maintenance and care of major arterials all the way down to local rural roads, TRB has a lot of area to provide for. However, TRB is committed to keeping up with this large task through several dedicated divisions, namely Traffic Engineering, Traffic Maintenance, Streets, Transit, and Parking.

- **Traffic Engineering:** This division is responsible for all traffic engineering services within Lafayette City and Parish including development review, traffic sign placement, speed studies, traffic calming, traffic safety analysis, etc. They also provide traffic signal timing and engineering support for 190 traffic signals and developed the Project Geaux Mow system.
- **Traffic Maintenance:** This division handles service requests and work orders to maintain over 50,000 traffic signs and over 200 miles of pavement markings. They are also responsible for maintaining nearly 200 traffic signals and 90 school warning flashers.
- **Streets:** The division maintains all public rights-of-way within Lafayette City and Parish including pothole filling, grass cutting (using workers and the Geaux Mow system), litter pickup including illegal dumping, tree trimming, and removal of high risk and/or hazard trees in right of ways. They currently maintain approximately 1,331 miles of streets, 400 bridges and related structures, and 480 miles of sidewalks, which are ever-increasing.
- **Transit:** Transit operates 10 daytime and 4 nighttime bus routes. This division transports the general public just about anywhere they'd want to go within City of Lafayette for a minimal cost and they also oversee a Paratransit system for those in our community who need more assistance.
- **Parking:** Operates and maintains two parking garages, over 600 parking meters, and the enforcement of parking violations.

Performance Measures:

TRB's performance measures reflect some of the central duties that are essential to running each division. For example, street pothole filling is a key task whose requests are generated by citizen requests and our own proactive efforts. Each of these performance measures represents a generalized number that represents how well the division is working as a whole.

PERFORMANCE MEASURE	BENCHMARK	FY 2022-23 ACTUAL	FY 2023-24 PROJECTED	FY 2024-25 FORECAST/ GOAL
Street Potholes filled	20,000	23,344	28,500	21,500
Tree related requests (overgrowth/fell) completed per year	250	220	300	350
% of Traffic Calming Requests Responded to within two days	90%	80%	85%	90%
Traffic Signal Work Orders Completed per year	700	1,033	1,178	850
Traffic Sign Work Orders Completed per year	2,200	4,184	2,954	2,400
Parking Ticket Revenue per year	\$127,845	\$108,491	\$128,332	\$138,500

Significant Changes

2023-(Traffic, Roads & Bridges Department was created during fiscal year 2020 when Public Works Department was reorganized.)

City and Parish Councils approved pay adjustment during FY2022 increasing salaries and benefits. The addition of four positions also caused an increase to salaries and benefits. The increase in Other is primarily due to increases in Uninsured Losses based on Risk Management claims reports, Contractual Services, and Administrative Costs based on the Full Cost Allocation Plan prepared by the consultants offset by reductions in operations throughout the department.

2024-Overall increase in expenditures mainly due to increases in contractual services (resulting from the success of the Geaux Mow program), property insurance premiums, and utility accounts.

2025-City and Parish Councils approved a Pay Plan increasing salaries and benefits. Several positions were added and removed, which caused a net reduction in Personnel Strength (-4 Laborer II, +4 Laborer II, -1 Labor Foreman II, +1 Labor Foreman III, Equipment Operator II, -2 Janitors and -1 Clerk 1).

The vacant positions were eliminated based on efficiencies and in order to increase remaining salaries across the board.

PARKS, ARTS, RECREATION, AND CULTURE (PARC)

PARC exists to provide the citizens of Lafayette Parish the opportunity to participate in a wholesome environment in which they can experience a leisure time that is diversionary in character and to assist in promoting entertainment, pleasure, relaxation, and rewarding physical and mental development. In FY 2020-21, Parks and Recreation was reorganized into a new department. Parks and Recreation was combined with Arts and Culture, previously part of the Community Development Department, to create the new PARC Department (Parks, Arts, Recreation, and Culture). This new department now encompasses 30 parks, 10 recreation centers, 4 swimming pools, 3 golf courses, 2 tennis centers, 2 senior centers, 1 performing arts center, 1 nature station, and numerous athletic fields.

Statistical Information:

DESCRIPTION	FY 2022-23	FY 2023-24 ESTIMATED	FY 2024-25 PROJECTED

Adult Participation in Sports Programs	492	107	500

Status of FY 2023-24 Goals and Operational and Budgeted Goals for FY 2024-25:

The PARC Department has done a wonderful job adjusting to the ever-changing times in our country and communities. Several steps have been taken to ensure we meet the needs of our community.

- Prioritized the seeking of additional funding for parks for both small and large capital project projects.
- Continued to explore additional public-private partnerships to continue to provide dynamic recreational programs.
- Partnered with national programs to offer our youth athletic programs better sporting experiences and visibility.
- Diversified the use of recreation centers to better serve the diverse needs of our community.
- Diversified our Summer Camps by partnering with existing camps to offer better programming and experience.

While this year saw increases in Girard Park Pavilion usage and Beaver Park Pavilion usage, there were some drops in usage at other pavilions. This is likely attributed to the excessive heat of this year in combination with price increases within the economy making budgets shorter on average households. We do hope to increase numbers next year by either 10% of this year's numbers, or to get back to last year's numbers, whichever is greater. We'll do this by continuing to place a strong focus on customer satisfaction and working to keep our facilities in top condition.

Performance Measures:

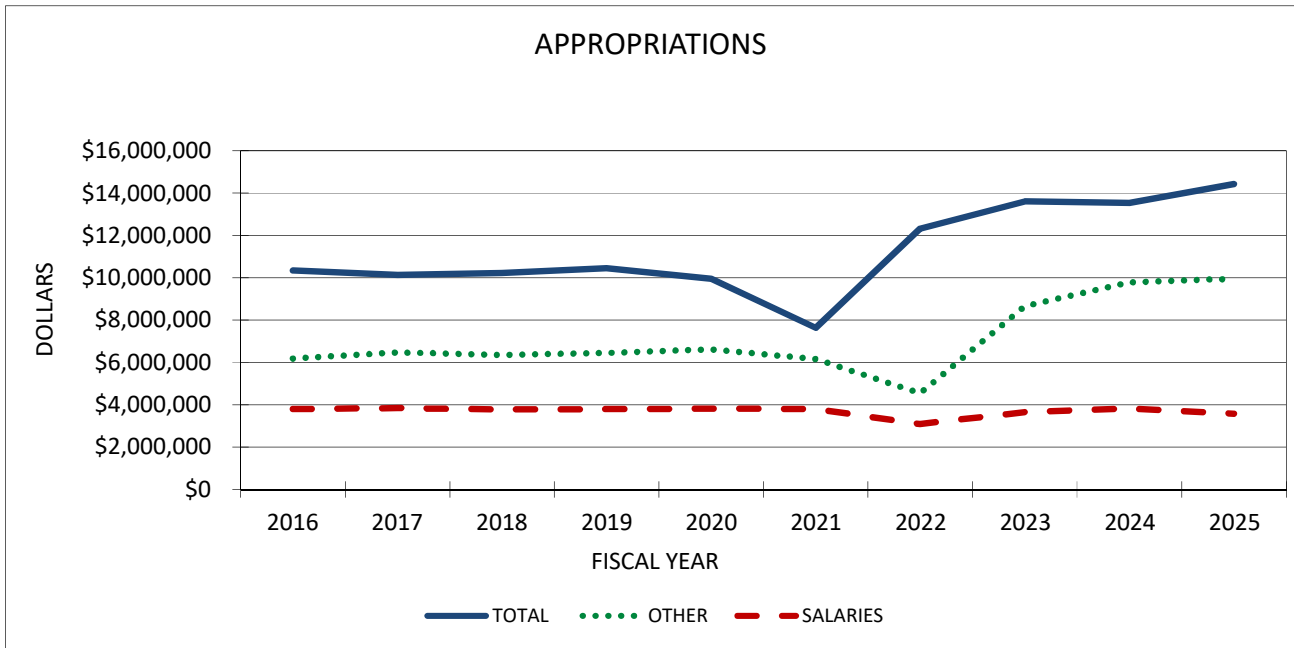

PERFORMANCE MEASURE	BENCHMARK	FY 2022-23 ACTUAL	FY 2023-24 ESTIMATED	FY 2024-25 FORECAST/GOAL
Girard Park Pavilion Rental Rate	52 Saturdays (100%)	19 (37%)	26 (50%)	29 (56%)
Heymann Park Pavilion Rental Rate	52 Saturdays (100%)	13 (25%)	10 (19%)	13 (25%)
PA Davis Park Pavilion Rental Rate	52 Saturdays (100%)	11 (21%)	6 (12%)	11 (21%)
Acadiana Park Pavilion Rental Rate	52 Saturdays (100%)	2 (4%)	2 (4%)	3 (6%)
Beaver Park Pavilion Rental Rate	52 Saturdays (100%)	2 (4%)	4 (8%)	5 (10%)
Debaillon Park Pavilion Rental Rate	52 Saturdays (100%)	3 (6%)	1 (2%)	3 (6%)

Significant Changes

2023-City and Parish Councils approved pay adjustment during FY2022 increasing salaries and benefits. The addition of five positions also caused an increase to salaries and benefits. The increase in Other is primarily due to increases in Uninsured Losses based on Risk Management claims reports, increased cost of transportation, and increases to Contractual Services offset by reductions in operations throughout the department.

2024-Overall decrease in expenditures is mainly due to reductions in Internal and External Appropriations and Equipment Maintenance due to purchase of new golf carts.

2025-City and Parish Councils approved a Pay Plan for FY2025 which increased salaries and benefits. The addition of one Accounting Specialist resulted in an increase in Personnel Strength.

COMMUNITY DEVELOPMENT & PLANNING

Community Development and Planning is a multi-faceted department which serves those who want to enhance neighborhoods, develop property, and do business in Lafayette Parish while also providing services that enhance the physical, social, economic, and educational conditions of Lafayette Parish. These functions are spread across eight divisions: Grants Management, Human Services, Planning, Development, Codes, Permitting, Alcohol and Noise Control, and Compliance.

The department is continuing to adapt to organizational changes and ensure Lafayette follows sound planning principles in its growth, administers its rules efficiently and fairly, maintains its neighborhoods and property as well as provide services that are intentional and aligned with the needs of the community. The department serves as a “one stop shop” for businesses and individuals involved in a variety of activities including: purchasing or developing property, undertaking construction projects, building and municipal permits, condemning unsafe structures, opening or relocating businesses, zoning variances or reclassification, administering the adjudicated property process, abandonments of easements or rights-of-way, annexation of land into the City of Lafayette, implementing PlanLafayette, historic property designations, alcohol permitting, and compliance with zoning regulations. The department also manages federal grant programs focused on providing affordable housing, provides one-on-one counseling & educational workshops on housing-related topics as well as assists families with home loans for first-time homebuyers and housing rehabilitation. The Community Development and Planning department continues to strive to provide excellent customer service, create a positive culture for development, improve access to information, facilitate better planning, more swiftly enforce our Code of Ordinances, and continue to enhance LCG’s capacity to compete for additional grant opportunities.

Statistical Information:

Goals and Progress:

In 2024, the Compliance division continued its work to better facilitate property-related complaints, pursue violations of the Lafayette Development Code and the Property Maintenance Code as well as work directly with the Administrative Adjudication Bureau. The CDP staff also continued its implementation to its MyGovernmentOnline software for permitting, codes, planning, development and compliance divisions. Working with this software has provided CDP the ability to establish performance goals related to the commercial plan review process and building inspections. CDP’s increased efficiencies with this software will help us to meet these goals annually. The Grants Management and Human Services divisions are also transitioning to a new software to create efficiencies and consistency with its grants management and grants programs. This software will allow for the Human Services division to grow its outreach and meet its service benchmark relative to Housing Counseling workshops. CDP staff continue to work towards providing Lafayette Parish residents in low income areas the tools and education necessary to provide a safe and habitable place to live for themselves and their family.

Performance Measures:

Significant Changes

2023-City and Parish Councils approved pay adjustment during FY2022 increasing salaries and benefits. The addition of two positions also caused an increase to salaries and benefits. Increases in Other is primarily due to increases in External Appropriations, Legal Fees, and Software Maintenance offset by reductions to Contractual Services and Accrued Sick/Annual Leave.

2024-City and Parish Councils approved a 2% pay adjustment for FY2024, increasing salaries and benefits. Four positions were added (Clerk III, 2-Compliance Inspectors, Plans Reviewer), and five were removed (2- Housing Inspector I's, Housing Inspector II, Secretary I and Planner II), for a net loss of one. There were also increases to contractual service accounts, specifically for Grant Consultants and SAAS (software as a service) costs.

2025-City and Parish Councils approved a pay plan for FY2025, increasing salaries and benefits for

OTHER BUDGETARY UNITS

Municipal Civil Service serves to represent the public's interest in matters of personnel or human resources administration by providing the best qualified individuals for open positions through fair and equal opportunity of employment to all candidates, setting policies and procedures for employment activities to protect employees, and providing guidance and direction in the selection, promotion, and wages of classified employees where applicable. The department's goals remain consistent with its mission statement by consistently seeking out opportunities for training and application of better methodologies for compensation and examination principles. The Civil Service System was created under Section 4-15 of the Home Rule Charter for Lafayette City-Parish Consolidated Government.

Statistical Information:

DESCRIPTION	FY 2021-22	FY 2022-23	FY 2023-2024 ESTIMATED	FY 2024-25 PROJECTED

Police & Fire Civil Service administers an effective, cost-efficient civil service system based on merit, efficiency, fitness, and length of service, consistent with the law and professional standards for police officers and firefighters. Police & Fire Civil Service is required under Louisiana state statutes for large municipalities.

Health Unit is a private company categorized under State Government Public Health Programs and is responsible for administering public health programs.

Cooperative Extension Service offers educational opportunities including online and in-person classes, seminars, workshops, field days, publications, and news releases. In addition, extension agents provide one-on-one advice and, increasingly, use the Internet to disseminate educational information. Educational topics covered include the use of agriculture and natural resources, lawns and gardens, environmental protection and resource conservation, family life, health and nutrition, housing and emergency preparedness, and youth development through the 4-H program.

Library mission is to enhance the quality of life of the residents of Lafayette Parish by providing access to high-quality, cost-effective library services that meet the needs and expectations of the community and to provide opportunities for lifelong learning in accordance with this community's standards. The Library's FY 2024-25 budget reflects commitments to not only traditional library services such as books and programs, but also to services and access with online resources, new technologies, and delivery of materials and services in the community.

UTILITIES

Lafayette Utilities System (LUS) is a publicly owned and operated utility which provides reliable and affordable electric energy, safe and clean drinking water, and environmentally sound wastewater. LUS fulfills its mission of “Improving the Way You Live” with a high standard of customer service and solid investments in the community through support of local organizations and the citizens of Lafayette to make Lafayette a better place to live, work, and play.

As a municipal provider of electric, water, and wastewater services, LUS is committed to strong financial management and prudent rate setting. This commitment has allowed for continuous system improvement while keeping customer rates low and maintaining strong scores from all major bond rating agencies. For fiscal year 2024-25, the goals of LUS include, but are not limited to, providing the following:

- **Safe and Reliable Service:** LUS customers have grown accustomed to the least number of electric outages in the state along with safe water and environmentally-conscious wastewater services. For fiscal year 2024-25, LUS has budgeted \$21.1M in the Electric Operations Division, \$14.8M in the Water Operations Division, and \$18.1M in the Wastewater Operations Division.
- **Customer Service:** LUS customers expect top-notch, courteous service and accurate billing information. For fiscal year 2024-25, LUS has budgeted \$5.9M to provide high-quality customer service at two locations in the City of Lafayette. These locations handle an average of over 30,000 walk-in transactions per month.
- **Employee Development:** LUS places high value on the continuous training and development of its workforce averaging over 17,000 man-hours of training per year which includes rigorous safety training and other vital certifications.
- **Performance Benchmarks:** LUS strives to exceed established benchmarks regarding system reliability, regulatory compliance, and financial objectives to continue to reinvest and expand our systems.

Significant Changes

2023-City and Parish Councils approved pay adjustment during FY2022 increasing salaries and benefits. The addition of three positions also caused an increase to salaries and benefits. Increase in Fuel/Purchase Power is due to operational requirements and market fuel costs.

2024-City and Parish Councils approved a 2% pay adjustment for FY2024, increasing salaries and benefits. The addition of five positions (2-Customer Service Floor Leaders, Plant Instrument Mech II, Water Operations Manager, Civil Engineer Aide Spec I), also increased salaries and benefits. General operational increases offset by decreases in Fuel/Purchase Power.

2025-City and Parish Councils approved a Pay Plan for FY2025, increasing salaries and benefits. There was a net addition of five positions (Employee Development Coordinator, Safety and Employee Development Supervisor, Water/Wastewater Supervisor, Water/WW Trouble Shooter and Wastewater Plant Operator) primarily due to the restructuring of the water distribution department.

LUS ELECTRIC KWH SALES TEN YEAR HISTORY

In December 2013, the Lafayette Utility System joined the Midcontinent Independent System Operator (MISO). All of LUS's Energy Requirements are purchased from MISO and it sells energy to MISO based upon economic dispatching. For reporting purposes, the revenue from MISO Sales are netted against the MISO Purchased Power Cost. Wholesale KWHs represent sales to MISO and Retail represents KWHs purchased from MISO and sold to LUS retail customers.

COMMUNICATIONS SYSTEM

Communications System, also referred to as LUS Fiber, is the telecommunications department of LCG and currently operates one of the nation’s largest municipal Fiber-to-the-Home networks. As the state’s most reliable, 100% fiber network composed of more than 700 miles of glass fiber, the system provides residents and businesses access to video, internet and phone services over the world’s leading broadband technology. Telecommunications networks have always been critical infrastructure and the pandemic has proven that broadband is now an essential utility. Currently, LUS Fiber provides the fastest residential internet in the nation, utilizing the only technology capable of delivering symmetrical speeds up to 10 Gigabits per second to the end user.

With an ever-growing customer base and continual high demand from underserved areas, LUS Fiber will continue expansion efforts throughout Lafayette and surrounding cities. LUS Fiber received \$21 million from the U.S. Department of Commerce’s National Telecommunications and Information Administration (NTIA) to build out over one million feet of fiber-optic cable infrastructure in the rural Louisiana communities of Church Point, Eunice, Mamou, Basile, and Ville Platte, recently ranked as having the fifth slowest average internet rate in the U.S.

LUS Fiber also works closely with community partners. The business entered into a cooperative agreement with the Lafayette Parish School System and Link & Learn to install a Wi-Fi network across a test area that provides access to filtered, educational Wi-Fi for over 1,100 students living in underserved neighborhoods, ensuring that they have internet access for virtual learning. The network will run on Wi-Fi 6, the next generation of Wi-Fi, which will be the first Wi-Fi 6 outdoor network in the U.S. In addition, LUS Fiber is partnering with SLCC to develop a program specifically for installation technicians and its team is also focused on outreach to graduating seniors to raise awareness of employment opportunities. This helps create needed jobs for fiber expansion and benefits the community by providing jobs for graduates.

LUS Fiber is in the process of upgrading its video offerings as well as its entire systems capacity to ensure the best overall experience and will continue to adapt to ever-evolving technology to stay ahead of changing industry trends. Year after year, it has maintained a customer satisfaction rating of 90% or higher as well as a service reliability rating of 90% or higher – both of which are rare achievements in the telecommunications industry. Dedication to providing the best local customer service remains a top priority for the business.

In today’s world, broadband is a requirement for growing and thriving communities. LUS Fiber remains at the forefront of the industry and continues to be the pace setter as it works diligently to positively impact residents and businesses by providing access to high-quality, high-speed fiber broadband for communication, online learning, telehealth, managing business in a digital economy, and more – which all work together to increase the strength and stability of its markets and economies.

Significant Changes

- 2023-Increase in Other is primarily due to ILOT payment budgeted to be paid to City General Fund.
- 2024-Increase in salaries is primarily due to City and Parish council's approval of a 2% salary adjustment. Three new positions were added (Facilities Supervisor, 2-Warehouse Workers) and two deleted (2-Stores Clerk I's) for a net increase of one. Increase in Other is the result of an increase in Reserves for Debt Service.
- 2025-Increase in salaries is primarily due to City and Parish Council's approval of Pay Plan. Six new positions were added (2-Comm Customer Service Rep, Revenue Assurance Analyst, Comm Network Specialist II, Customer Service Supervisor, GIS Analyst and Comm Network Specialist III) and one deleted (Electrical Engineer III)

CITY SALES TAX REVENUE BONDS
CITY SALES TAX REVENUE BONDS

City Sales Tax Revenue Bonds this type of bond is issued for the purpose of purchasing, constructing, acquiring, extending and/or improving public works or capital improvements within or for the benefit of the City of Lafayette. These bond issues are secured and payable from a pledge and dedication of the proceeds of either the 1961 City sales and use tax or the 1985 City sales and use tax.

City Sales Tax Revenue Refunding Bonds these bonds are issued to refund City of Lafayette's Public Improvement Sales Tax bonds for the purpose of effecting a debt service savings. These bond issues are secured by and payable from a pledge and dedication of the proceeds of either the 1961 City sales and use tax or the 1985 City sales and use tax.

The City Combined Bond Construction Fund (Fund 441) was created during fiscal year 2017. The City Combined Construction Fund accounts for the proceeds from all City of Lafayette bond issues used to finance capital improvement projects within or for the benefit of the City.

Prior to the City Combined Bond Construction Fund being created a new construction fund was created for each bond issue. With the creation of the new combined fund, the bond projects are subject to a process where each are ranked for funding priority. In anticipation of future bond issues, the projects are approved by the Council(s), and the authority to issue debt from the State Bond Commission (SBC) is requested to incur expenditures for the projects may be granted through "cash lines of credit." This mechanism facilitates the start of projects that will be funded by bonds and provides an indication of outstanding capital commitments.

Louisiana Revised Statutes limit the Parish's General Obligation bonded debt for other purposes to 10% of the assessed valuation of the taxable property for a single purpose with no limit on the number of purposes. The City may issue general obligation bonded debt in excess of 10% of the assessed valuation of the taxable property for any single purpose provided that the aggregate for all such purposes (determined at the time of issuance of the bonds) does not exceed 35% of the assessed valuation of the taxable property of the City.

FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM (CIP)

The Five-Year Capital Improvement Program (CIP) is a plan in which LCG's capital projects are projected over the course of the next five fiscal years. Funding will be approved by the City Council and the Parish Council for the first year of the program during the budget process. Capital improvement projects are defined as infrastructure, equipment purchases, or construction that results in a capitalized asset and having a useful life of more than one year.

Each year all of LCG's capital improvement project lists are reassessed to include updated projections on capital projects. Proposed new capital projects are prioritized by departmental directors, staff, and administration. Projects are included in the budget based on priority and the financial sources available and/or debt considered and overall consistency with LCG's goals and objectives. During the annual evaluation process, engineers and project managers discuss project costs, timelines, resources required, potential obstacles and other collaborations that may need to occur to successfully complete the project.

In addition to a Five-Year Capital Improvement Program Budget, Section 5-05 of the Home Rule Charter requires that a Capital Improvement budget must include the estimated annual cost of operating and maintaining the capital improvement to be constructed or acquired. When a new capital improvement project is undertaken, consideration is given to the operational impact of the project. The operational impact depends on the nature of the capital improvement project. These costs must be funded in the appropriate operating fund budget.

In recent years, due to fiscal constraints, LCG has focused the Capital Budget on maintaining existing infrastructure, such as roads and building maintenance projects. Typically, these types of recurring capital projects have minimal impact on the Operating Budget. Some projects may produce ongoing operational savings, such as new LED lighting throughout the City and recreation centers. The estimated impacts of operating costs can be found within this section of the budget document.

In addition to this section all capital projects budgeted for this fiscal year can be located in the Capital Appropriations section of this budget document. The Capital Appropriations section includes projects that are included in the first year of the CIP as well as normal capital such as vehicle and equipment purchases and/or replacements.

Five-Year Capital Improvement Program (Entity-Wide) Summary

The grand total of LCG's entity-wide five-year capital improvement program from FY 2025 to FY 2029 is \$905,397,521. The entity-wide five-year capital improvement program includes Non-Utilities, Utilities System, and Communications System. A summary of the entity-wide five-year capital improvement program is below. Detailed information can be found in the Five-Year Capital Improvement Program (CIP) Section of this budget document.

The Non-Utilities CIP identifies major public improvements to roads, bridges, drainage, sidewalks, public buildings, and parks. The Utilities System CIP identifies major public improvements to the electric, water, and wastewater systems. The Communications System CIP identifies major public improvements for the telecommunications system.

The capital amounts listed in the Five-Year Capital Improvement Program (CIP) Section of this budget document will not reconcile to the amounts listed in the Capital Appropriations Section. The capital amounts listed in the Five-Year CIP section includes bond proceeds and prior year accumulated retained earnings.

FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM (NON-UTILITIES)

Lafayette City-Parish Consolidated Government Capital Improvement Project (CIP) list is reassessed each year to include updated projections on capital projects. Engineers and project managers discuss project costs, timelines, resources required and other collaborations that may need to occur to successfully complete the project. Funding requests for asphalt and concrete projects are put forth using a street rating system, while others, such as bridge funding requests, are based on when bridges are ready for replacement (based on design completion and permits received). A recap of major city projects is presented below.

Streets:

- University Corridor Initiative: This is a multi-faceted project that included a corridor study, flood study, economic impact, safety, intersection improvements, roadway section updates, and the addition of sidewalks where required. Phase I of the project was bid and construction has been ongoing throughout 2024. Phase II of the build is expected to begin in 2025. The adopted budget for Phase I is \$9,500,000 comprised of PAYG capital and bond funds with State appropriations totaling \$23,000,000 through FY 2024.

Drainage:

- Downtown Drainage: In an effort to temporarily store excess rainfall to reduce or eliminate street and structure flooding, the project consists of several underground storage facilities within the downtown area. To date Phase I of the project, located at the intersection of Jefferson and Lee is complete and fully functional. Phase II located along St. John Street is under construction with an expected completion date before the end of the year. In addition to these, several other storage basins are under consideration or design. The project also includes the installation of 60 – 80 additional inlets in the area to direct the rainfall underground to these basins.
- The Drainage Department has allocated \$230,000 per year for operations and facilities maintenance and upkeep of the detention ponds.

Sidewalks:

- Downtown Sidewalks/Curbs/Overlay: This project will provide for sidewalk rehabilitation and modifications to meet ADA requirements within the downtown area providing more efficient and safe access corridors to major businesses and public buildings. Currently, the plans are 100% complete and with one acquisition of the necessary easements to construct the project remaining. The current budget is over \$1,000,000 comprised of PAYG capital and bond funds. The project is expected to be bid in early 2025.

Bridges:

Public Works maintains a condition rating system for all 198 bridges under the jurisdiction of the Parish and City. These ratings are used to provide for our replacement/repair annual program. Intangibles such as Average Daily Traffic Counts, ingress and egress and alternate routes are factors that also contribute to the decisions. Public Works has plans to replace/repair over a dozen bridges in the next five years, all dependent on funding levels. Due to the funding levels appropriated by the Administration and Council, some of the most notable bridges which will soon be replaced are:

City - E. Verot School Road, Beau Pre' Road, Canberra Road, Tolson Road and Failla Road.

Parish Bridges: Serenity Road, Gisele Place, Stutes Road, Switzerland Road, Jenkins Road, and Ranch Road.

Bridges completed in FY 23-24 – Crestlawn Drive, Rue des Etoiles, E. Lewis Street, W. Congress Street.

Lafayette Consolidated Government
2024-25 Adopted Budget
Five-Year Capital Improvement Program (Non-Utilities)
Estimated Operation & Maintenance Expenses

10/9/24

When a new capital improvement project is undertaken, consideration is given to the operational impact of the project. The operational impact includes additional costs for staff, maintenance, debt and other expenses. The operational impact depends on the nature of the capital improvement project. These costs must be funded in the appropriate operating fund budget.

In recent years, due to fiscal constraints, LCG has focused the capital budget on maintaining existing infrastructure, such as roads and building maintenance projects. Typically, these types of recurring capital projects have minimal impact on the Operating Budget. Some projects may produce ongoing operational savings, such as new lighting throughout the City and recreation centers.

The maintenance costs for streets and drainage improvements included in the capital budget will have very little operational impact because most are existing roads in need of repair. The maintenance costs for these roads are currently budgeted through the Department of Traffic, Roads, & Bridges operating budget, and these improvements should reduce the maintenance needs in the department. The improvements to the striping of streets, intersection improvements and sidewalk repairs and construction should make the streets safer.

The estimated impacts of operating costs are listed below.

	Adopted	Projected				TOTAL
	FY 24-25	FY 25-26	FY 26-27	FY 27-28	FY 28-29	
Estimated Operating & Maintenance Expenses

FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM (UTILITIES)

Lafayette Utilities System's (LUS) Capital Improvement Project (CIP) program is reevaluated annually to include updated projections on capital projects for the electric, water, and wastewater systems. During the annual evaluation process, project managers discuss project costs, timelines, resources required, potential obstacles, and other collaborations that may need to occur to successfully complete the project. Additionally, the LUS Consulting Engineer of Record, in accordance with the Utilities System General Bond Ordinance, provides a comprehensive annual report that addresses the conditions and operations of the systems and overall financial and operational performance. Highlights include:

Electric System: LUS's electric system is highly reliable when compared with national and regional averages for electric utilities. The electric CIP listing includes demolition of the existing Bonin site and construction of a new generating facility (Bonin 4), improvements to the combustion turbine plants, placement and renewal of distribution feeders, extension of infrastructure to serve system expansions, new transformers, new substations, expansion of existing substations, new transmission lines, software/systems upgrades, and plant rehabilitations and has an estimated appropriation total of \$248.5 million over the next five years.

The **Northeast/Peck Substation and Transmission Lines** projects are to construct a new substation, transmission lines necessary for interconnection to the 69kV transmission grid, and distribution lines for service in the northeast portion of the service territory. These projects will complete the goal of managing existing load, planning for the future load growth in the area with increased reliability, and planning for redundancy. These projects have an estimated appropriation of \$10.5 million over five years.

The **Transmission Pole Replacement** project is to construct new 230kV structures to extend life and ensure system reliability of the Bulk Electric System (BES). This project has an estimated cost \$4.8 million over five years.

Water System: LUS's water system provides safe, high-quality drinking water and fire protection to the city of Lafayette and serves retail and wholesale customers. The water CIP listing includes building improvements, rehabilitation of treatment units, main replacements, upgrades, and service extensions and has an estimated appropriation total of \$86.4 million over the next five years.

The **Galvanized Main Replacement** project will replace antiquated water lines with updated water line infrastructure and will decrease water loss due to leaks, minimize pressure issues, and enhance water quality, reliability, and accessibility for residents and businesses in the community. This project has an estimated appropriation total of \$38.9M over the next five years which will be partially funded with federal grants.

The **Water Well Installation** projects at Commission Blvd Water Plant, Gloria Switch Water Plant, and the Jim Love Water Plant will increase production capacity to serve an increasing customer base in the City and Parish.

The **Water Storage Tank Installation and Improvements** projects will provide extra storage capacity to meet high demands during peak hourly usage times and severe weather events such as droughts, freezes, and hurricanes. These projects have an estimated appropriation total of \$9.3M over the next five years.

Wastewater System: LUS's wastewater system is updating its wastewater master plan to identify collection system capacity improvement projects, wastewater treatment system capacity improvements, and regulatory compliance projects for a 20-year period. The wastewater CIP listing includes expansion of treatment plants, digester rehabilitations, lift station upgrades, gravity sewer upgrades, collection system improvements, odor control, and sludge handling and has an estimated appropriation total of \$105.5 million over the next five years.

The **South Plant Flow Handling** project will add process units to handle and treat additional wastewater due to system growth and reconfiguration of the wastewater system. This is the next of several phases related to the South Wastewater Treatment Plant expansion. This project has an estimated cost of \$32.2 million over the next five years.

The **Collection System Improvements** project includes manhole rehabilitation, point repairs, main line and service line replacements, and other repairs associated with the Capacity, Management, Operation, and Maintenance (CMOM) program. This project has an estimated cost of \$12.5 million over the next five years.

GLOSSARY

311 Lafayette – A non-emergency phone number that citizens can call to find out information about services, make complaints, or report problems. The 311 system additionally provides a digital portal for online use.

ACADIANA METROPOLITAN PLANNING

ORGANIZATION – A regional organization established to oversee and administer planning grants. LCG transferred the operations of its MPO section to this separate entity.

ACADIANA OPEN CHANNEL – Public access television provider.

ACCOUNT – Another term for Code; the internal LCG number assigned to all accounting items for tracking in its financial record system.

ACCRUAL BASIS OF ACCOUNTING – The method of accounting under which transactions are recognized when they occur and are measurable, regardless of the timing of related cash flows.

AD VALOREM TAX – A tax levied against the assessed value of real property. Ad valorem tax is also referred to as property tax.

AMORTIZATION – The expense created by allocating the costs of certain tangible and intangible assets to the periods in which they are used; represents the expense of using the assets.

ANNUAL COMPREHENSIVE FINANCIAL REPORT – The official financial report of a government that complies with the accounting requirements of the Governmental Accounting Standards Board. The report is compiled by the government's staff and then audited by an external auditor.

APPROPRIATIONS – Authorization granted by the City and/or Parish Council(s) to make expenditures or to incur obligations for specific purposes.

AUDIT – An official financial examination of LCG's accounts or processes by an independent third party.

AUTOMATED CLEARING HOUSE – An electronic network for financial transactions in the United States. ACH payments are used for electronically transferring money to others without producing a written check or using a credit card.

BABS SUBSIDY – A federal payment to LCG for a percentage of the interest paid on Build America Bonds issued. The purpose of the payment is to reduce the cost of borrowing for the bond issuer.

BALANCED BUDGET – As defined by the LCG Home Rule Charter, this is the financial operational plan whereby proposed expenditures shall not exceed the total estimated funds available for the ensuing fiscal year.

BOND – A written promise to pay a designated amount (called the principal) at a specific date in the future together with periodic interest at a specified rate. In the budget, the payments due for the budget year are identified as Debt Service. Bonds are usually used to obtain long-term financing for capital improvements.

BUDGET – A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them.

BUSINESS TYPE FUND – See Enterprise Fund

CAPITAL ASSETS – Assets of a long-term character that are intended to continue to be held or used for a period of more than one year such as land, buildings, machinery, furniture, and other equipment.

CAPITAL IMPROVEMENTS PROGRAM – A five-year fiscal plan detailing the amount and timing of anticipated capital expenditures. The Councils adopt the first year of the CIP and approve the entire five-year plan in concept. It is updated annually with the adoption of the budget.

CAPITAL OUTLAY – Expenditures for the acquisition of, or addition of, capital assets or infrastructure. Capital Outlay may also be called Capital Expenditures.

CAPITAL PROJECT – A specific project that groups related capital expenditures together for the acquisition of, or addition to capital assets or infrastructure (e.g. a road overlay project or drainage project). Projects can include cost of land, engineering, architectural planning, and contract services needed to complete the project. A Capital Project may also be called a Work Order.

CARRYOVER – Capital projects or appropriations approved in previous years' budgets that have not been completed or expended due to various circumstances that will be brought into the next year for expenditure.

CERTIFICATES OF INDEBTEDNESS – A debt instrument similar in force and effect as a bond, though typically issued by a government or bank and not secured by any specific property or revenue.

CODE – Another term for Account; the internal LCG number assigned to all accounting items for tracking in its financial record system.

COMMUNICATIONS SYSTEM – LUSFiber; the department that is responsible for Internet, cable television, and telephone services.

COMMUNITY DEVELOPMENT – This department was dissolved in July of 2021. The functions of the department were absorbed by Parks & Recreation and Development & Planning. This created two departments: Community Development & Planning, and Parks, Arts, Recreation, & Culture (PARC).

COMPREHENSIVE PLAN – PlanLafayette; A parish-wide initiative to develop a vision and action plan for Lafayette for the next 20 years. This is a long-range strategy or "guidebook" for community growth, development, and redevelopment. This plan will be used to formulate public policy in terms of transportation, utilities, land use, recreation, and housing by using the community's goals and aspirations for a future Lafayette.

CONTRACTUAL SERVICES – Services rendered to LCG's departments and agencies by private firms, individuals or other government agencies.

COOPERATIVE ENDEAVOR AGREEMENT – Agreements that, under the Constitution of Louisiana, are formed to achieve a public purpose and are between the state and its political subdivisions or political corporations and with the United States or its agencies or with any public or private association, corporation, or individual.

CORONER'S EMERGENCY CERTIFICATE – A mental health commitment document.

COST OF GOODS SOLD – An income statement figure which reflects the cost of obtaining raw materials and producing finished goods that are sold to consumers.

COST OF ISSUANCE – All expenses associated with the sale of bonds. These can include legal fees, printing costs, and rating agency fees among others.

COULEE – Small drainage canal.

DEBT SERVICE – The periodic repayment of principal and/or interest on borrowed funds.

DEBT SERVICE FUND – Governmental fund type used to account for the accumulation of resources for and the payment of general long-term debt principal and interest.

DEDICATED FUNDS – Funds collected from a specific revenue source that must be appropriated for a specific expenditure.

DEFICIT – The excess of expenditures over revenues during an accounting period.

DEPARTMENT – A major administrative unit of LCG which indicates overall management responsibility for an operation or a group of related operations within a functional area and the level at which the budget is adopted.

DEPRECIATION – The expensing of an asset's capital value over its estimated useful life to consider normal usage, obsolescence, or the passage of time.

DEVELOPMENT & PLANNING – A department of LCG. In July 2021, this department was renamed to Community Development and Planning.

DIVISION – An organizational unit that indicates management responsibility for an operation or group of related operations within a functional area, subordinate to the department level of the organization.

ENCUMBRANCE – The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for future expenditures.

ENTERPRISE FUND – A fund established to account for the operations and financing of self-supporting activities of a governmental unit that renders services on a user charge basis to the general public, similar to private business. The following funds operate on an enterprise basis: Lafayette Utility System (LUS), Communications System (LUS Fiber), Environmental Quality, CNG Service Station, and Lafayette Public Power Authority.

EVANGELINE CORRIDOR INITIATIVE – The branded name of a grant project which centers on neighborhood revitalization and planning along the future Interstate 49 connector (currently known as Evangeline Thruway).

EXPENDITURE – The payment of cash on the transfer of property or services for the purpose of acquiring an asset, service, or settling a loss.

EXPENSE – Charges incurred (whether paid immediately or unpaid) for operations, maintenance, interest, or other charges.

EXTERNAL APPROPRIATION – An authorization for expenditure by a non-governmental organization to provide a public service.

FAIR MARKET VALUE – The estimated price of an asset that a willing buyer would buy such asset from a willing seller when: (1) both are unrelated, (2) know the relevant facts, (3) neither is under any compulsion to buy or sell, and (4) all rights and benefits attributable to the item are included in the sale. FMV is generally the basis for tax assessment.

FIDUCIARY FUND – Funds used to report assets held in a trustee or agency capacity for others and which therefore cannot be used to support the government's own programs.

FIRST TIME HOMEBUYERS PROGRAM – An assistance program offered to the citizens of LCG aiding in the expense of down payment and closing costs for home ownership. Primary for eligibility, applicants must not have owned a home in the last three years.

FISCAL YEAR – Any yearly accounting period, regardless of its relationship to a calendar year. The fiscal year for LCG begins on November 1 of each year and ends on October 31 of the following year. For example, FY 2022/2023 begins on November 1, 2022 and ends on October 31, 2023.

FULL-TIME EQUIVALENT – Full-time equivalent represents a conversion of hours worked to a count of positions. On an annual basis, 2,080 hours worked equates to one full time equivalent position.

FUND – An independent fiscal and accounting entity with a self-balancing set of accounts segregated to carry on specific activities or obtain certain objectives. See also: "Major Fund" and "Non-Major" Fund.

FUND BALANCE – The difference between the assets and liabilities of a fund. Fund balance is terminology that is applicable to "fund level" reporting of individual governmental funds and is based on the modified accrual basis of accounting. It is used as a measure of the amount available to budget or spend in the future.

GEAUX MOW – Pronounced "Go Mow". Geaux Mow is a program in which lawn care vendors bid online in real time for the mowing of LCG owned property. Properties are divided into various sized projects, which results in the ability of both large and small vendors to participate and be successful in acquiring mowing projects.

GENERAL ALIMONY – This is a property tax levied on both real and personal property according to the property's assessed valuation and the tax rate. This property tax is used for general maintenance needs of the Parish.

GENERAL FUND – This fund is one of the five governmental fund types and typically serves as the chief operating fund of government. The General Fund is used to account for all financial resources except those required to be accounted for in another fund. As required by the Home Rule Charter, LCG maintains two separate and distinct general funds; one for the City of Lafayette and one for the Parish of Lafayette.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES – The common set of accounting principles, standards, and procedures that governments and private companies use to record financial transactions and compile their financial statements. These principles are a combination of authoritative standards (set by policy boards such as GASB) and commonly accepted ways of recording and reporting accounting information.

GOALS – Broad aims toward which programs are directed.

GOVERNMENT FINANCE OFFICERS ASSOCIATION – A professional organization established to assist in the professional management of government by developing and identifying financial policies and best practices through education, training, facilitation of member leadership, and networking.

GOVERNMENTAL FUNDS – Funds generally used to account for tax-supported activities. There are five different types of governmental funds; general funds, special revenue funds, debt service funds, capital project funds, and other general-purpose funds.

GRANT – A financial award given by the federal, state, local government, or private organization to fund a specific purpose or project.

GRANT MATCH – LCG's required contribution towards a grant funded purpose or project. Grant match is typically made up of cash or in-kind support (i.e. goods, services, or other things of value) or a combination of both.

HAZMAT – Hazardous materials

HOME RULE CHARTER – Home rule is the power of a local city or parish to set up its own system of self-government without receiving a charter from the state. The Home Rule Charter is, in essence, a local constitution which lays down the basic structure and laws of the locality.

INDIRECT COST – A cost necessary for the functioning of the organization as a whole but which cannot be directly assigned to one service.

INTERNAL APPROPRIATION – An authorization for expenditure in one fund to aid in the services provided by another fund.

INTERNAL SERVICE FUNDS – These funds account for the financing of goods or services provided by one department or agency to other department or agencies of the governmental unit, or to other governmental units, on a cost-reimbursement basis.

IT – LCG's Department of Innovation & Technology. Prior to FY 22/23 named Department of Information Services & Technology or IS&T.

JUDICIAL DISTRICT COURT – Lafayette Parish is served by the 15th Judicial District Court.

KEEP LAFAYETTE BEAUTIFUL – A volunteer organization dedicated to keeping Lafayette beautiful through education and community involvement.

LAFAYETTE UTILITIES SYSTEM – The department of Lafayette Consolidated Government that is responsible for the Utilities (electric, water, wastewater). Also referred in some places as UT (see definition).

LONG TERM – Debt maturity of more than one year.

LUSFIBER – Lafayette Utilities System Fiber; the department of Lafayette Consolidated Government that is responsible for Internet, cable television, and telephone service.

MAJOR FUND – These are funds whose revenues, expenditures, assets, or liabilities are at least 10 percent of the totals for all funds. See also definition of “Fund”.

MANDATE – (See State Mandate)

MANNING TABLE – A series of lists by department/division which contain the titles, numbers of positions, and aggregate salary by position authorized to be filled by that particular division.

MILLAGE RATE – A tax rate that is applied to the assessed value of real estate.

MILLS – Tenth of a cent as it relates to the property tax rate. Millage or property tax rates are not expressed as regular percentages but in tenths of a penny. For example, a millage rate of 2 mills would mean 2 tenths of a cent.

MODIFIED ACCRUAL BASIS OF ACCOUNTING – Method of accounting that involves recognizing revenue when it becomes both available and measurable, rather than when it is earned. Expenditures are recognized when the related liability is incurred.

NON-MAJOR FUND – These are funds whose revenues, expenditures, assets, or liabilities are not 10 percent of the totals for all funds. See also definition of “Fund” and “Major Fund”.

NORTH AMERICAN ELECTRIC RELIABILITY CORPORATION – The institution that oversees and regulates the reliability of the North American electrical grids, of which Lafayette Utilities System is a part.

OBJECTIVES – Specific productivity targets within a certain time frame, with results that are measurable. Narrower than goals.

OTHER POST EMPLOYMENT BENEFITS – Benefits provided to an employee by LCG when he or she begins retirement including health care and life insurance premiums. The amounts shown in the group insurance fund are the actuarial estimates of the cost of those benefits to LCG as of the end of the fiscal year.

PARATRANSIT – A door to door transport service provided by LCG to its citizens with disabilities who are not able to ride fixed route public transportation.

PARISH – A territorial division corresponding to a county in other states.

PARKS, ARTS, RECREATION, CULTURE – In July 2021, the department of Parks & Recreation was reorganized to include the Heymann Performing Arts Center, Lafayette Science Museum, Acadiana Park Nature Station, and senior centers. The department was renamed as PARC to accurately reflect its new structure.

PATIENT CENTERED OUTCOMES RESEARCH INSTITUTE – As part of the Patient Protection and Affordable Care Act, a Trust Fund has been established and a per capita fee is imposed on all group health plans.

PAY AS YOU GO CAPITAL – Capital expenditures paid for through funds that are currently available and are not borrowed. In the case of LCG PAYG capital expenditures, these are funded through dedicated sales tax collections. Sixty-five cents of every dollar collected in sales tax by LCG is dedicated for capital and may not be used for operations.

PLANLAFAYETTE – The branded name of LCG’s comprehensive plan (see Comprehensive Plan for more information).

PPACA-TRANS – Patient Protection and Affordable Care Act-Transitional Reinsurance Fee; a fee imposed on LCG under the act that is based on the number of covered persons under the group health plan.

PRO FORMA – A budget based financial statement projecting fund performance until the end of the budget year.

PROJECT FRONT YARD – An initiative which brings together individuals, business, government, and media partners to address community beautification through education.

PROPRIETARY FUND – Funds that focus on the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. There are two different types of proprietary funds: Enterprise Funds and Internal Service Funds.

RESERVE FUND – A fund in which a specified amount or balance is required to be kept in case any pledged revenues are insufficient to pay debt service requirements. The debt service reserve fund may be entirely funded with bond proceeds at the time bonds are issued, may be funded over time through the accumulation of pledged revenues, may be funded with a surety or other type of guaranty policy, or may be funded only upon the occurrence of a specified event.

RETAINED EARNINGS – An equity account reflecting the accumulated earnings of an enterprise or internal service fund.

REVENUE – Sources of income financing the operations of government.

SINKING FUND – A fund established for the purpose of accumulating the government's periodic debt service payments. Typically, regular deposits are made to this fund for a percentage of the next regularly scheduled principal and interest payment due.

SPECIAL REVENUE FUNDS – Used to account for the revenue derived from specific taxes or other earmarked revenue sources (other than for major capital projects) that are restricted by law or administrative action to expenditures for specified purposes.

STATE MANDATE – Any state constitutional, legislative, or executive law or order which requires a local government (municipality or parish) to act in a particular way on a public issue or to expend funds on certain functions or activities.

STRUCTURED QUERY LANGUAGE – A computer programming language used for relational database management systems.

SURPLUS – An excess of the assets of a fund over its liabilities and reserves.

TAX INCREMENT FINANCING – A public financing method that is used as a subsidy for redevelopment, infrastructure, and other community-improvement projects. LCG has one active TIF district located at I-10 and Louisiana Avenue, whereby an additional one cent sales tax is used to finance infrastructure improvements in the defined district.

THIRD PARTY ADMINISTRATOR – Are organizations that process insurance claims or certain aspects of employee benefit plans for the government. Currently, LCG uses third party administrators to administer the worker's compensation plan and employee health care benefits.

TRANSFERS TO/FROM – Amounts transferred from one fund to another to assist in financing the service for the recipient fund.

UNINCORPORATED AREAS – Any region of land within the parish boundaries that is not a part of any city or town.

UNINSURED LOSSES – Amounts paid for property or liability claims that: 1) fall inside of any of the policies' deductible and 2) for which LCG is self-insured.

URBAN INFILL – A grant type received by LCG which funds the development of vacant, abandoned, passed over, or underutilized land within built-up areas of existing neighborhoods in the community.

WORK ORDER – See Capital Project.

APPENDIX

ORDINANCE NO. JO-040-2024

A JOINT ORDINANCE OF THE LAFAYETTE CITY COUNCIL AND THE LAFAYETTE PARISH COUNCIL ADOPTING AN OPERATING & FIVE-YEAR CAPITAL IMPROVEMENT BUDGET OF REVENUES AND EXPENDITURES FOR THE LAFAYETTE CITY-PARISH CONSOLIDATED GOVERNMENT FOR THE FISCAL YEAR BEGINNING NOVEMBER 1, 2024 AND ENDING OCTOBER 31, 2025

BE IT ORDAINED by the Lafayette City Council and the Lafayette Parish Council, that:

WHEREAS, in accordance with all applicable provisions of the Lafayette City-Parish Consolidated Government Home Rule Charter, the Lafayette Mayor-President has submitted to the Lafayette City Council and the Lafayette Parish Council the proposed FY 2024-2025 operating and five-year capital improvement budget; and

WHEREAS, the Lafayette City Council and the Lafayette Parish Council have taken under consideration the study of said proposed operating and five-year capital improvement budget.

NOW, THEREFORE, BE IT FURTHER ORDAINED by the Lafayette City Council and the Lafayette Parish Council, that:

SECTION 1: All of the aforescribed “Whereas” clauses are adopted as part of this ordinance.

SECTION 2: In accordance with the applicable provisions of the Lafayette City-Parish Consolidated Government Home Rule Charter, including but not limited to Sections 5-01 through 5-03, inclusive, and in accordance with Sections 2-11 through 2-13, inclusive, of said Lafayette City-Parish Consolidated Government Home Rule Charter, the Lafayette City Council and the Lafayette Parish Council do hereby approve the said proposed operating and five-year capital improvement budget as amended in the attachments hereto and which are made a part hereof and which will be identified in said final document under the title “Adopted Operating & Five-Year Capital Improvement Budget FY 2024-2025.”

SECTION 3: The following qualifications shall apply to the implementation and administration of the adopted budget:

- A. State law requires that certain firemen be given a two (2%) percent longevity salary increase. Accordingly, the pay reserve included herein for eligible fire personnel shall be deemed to include the two (2%) percent “longevity” salary increase required by State law for the fiscal year 2024-2025. Said pay adjustment will be effective no sooner than the first day of the first full pay period in fiscal year 2024-2025.
- B. No Departmental Director or agency of Lafayette City-Parish Consolidated Government shall be with authority to exceed appropriation levels which are identified departmentally within the budget adopted for the fiscal year without approval of the Lafayette City Council, the Lafayette Parish Council, or both by ordinance.
- C. Inasmuch as the limited wording of any budget ordinance cannot cover all mathematical computation, narrative circumstances resulting from salary and other appropriation adjustments, the Chief Financial Officer, through the Lafayette Mayor-President, is authorized and directed to comply with the dictates and intent of the adopted budget through whatever means he or she deems to be prudent and necessary and in order to ensure that a balanced budget is adopted. Upon completion of budget finalization work each year, the Chief Financial Officer, through the Lafayette Mayor-President, shall prepare a written report to the Lafayette City Council and the Lafayette Parish Council detailing the amount and nature of any adjustments required to implement the adopted budget.
- D. Lafayette City-Parish Consolidated Government’s budget and accounting practices assign to each department an amount designated as “Uninsured Losses” representing amounts to be transferred from each of the departments to the City-Parish Risk Management Program for uninsured losses incurred by the department. Such appropriations labeled “Uninsured Losses” shall not be transferred to any other line item in any department having such an appropriation.
- E. Salary appropriations for filled positions adopted in the annual budget shall be considered encumbered upon the implementation of the adopted budget.
- F. Salaries-Promotion Costs Line Items: Certain promotion costs have been funded in a special salary account entitled “promotion costs” and assigned the account code “50300” within each department. Whenever an intra-departmental promotion occurs, an administrative budget revision may be affected to move the salary and benefit costs to the appropriate line items for that division and to amend the Manning Table for the personnel position changes effective with the date of the promotion. No promotion date shall be before the first full pay period of the new fiscal year. Such changes to the budget shall be affected by administrative budget revision, a copy of which should be provided to the Office of the Lafayette Clerk of the Council.
- G. Overtime Line Items: Where additional overtime by existing employees is required to fulfill the duties of vacant positions, funds necessary to pay salaries for the same may be moved from the salary account allocated for the vacant position to an overtime line item for that division, provided, however, that the funds moved to the overtime line item shall not reduce

funds available for the vacant position to less than the amount that would be required to fill the vacant position for the remainder of the fiscal year. Such changes in the salary account and the overtime line item shall be accomplished by administrative budget revision, a copy of which should be provided to the Office of the Lafayette Clerk of the Council.

- H. The general amendments may include changes to existing work orders in the FY 2023-2024 budget. Those changes are reflected in a separate column, if applicable, on amended schedules and this ordinance serves to approve and amend in the current FY 2023-2024 budget the changes so reflected and the Chief Financial Officer is authorized to affect the required budget changes.
- I. The amounts allocated herein for External Agencies (Arts & Culture, Social Services and ACA Grant) shall only be disbursed upon the approval of the Lafayette City Council based on recommendations submitted to the Lafayette City Council. The Lafayette Mayor-President is directed to develop and present to the Lafayette City Council an appropriate ordinance to amend the existing ordinance relative to the funding of external agencies in order to incorporate the spirit of this section.
- J. Whereby changes to existing work orders in the Five-Year Capital plans may be required to fulfill the adopted FY 2024-2025 Five-Year Capital Improvement Budget, such changes are reflected in the capital outlay budget column titled "Existing Work Order Changes." This ordinance will serve to approve and amend in the current FY 2023-2024 budget the changes reflected in that column and the Chief Financial Officer is authorized to affect the required budget revision if applicable.
- K. The amounts allocated in Account Number 1010170 76730-0 titled EXP APP-CAJUNDOME shall only be disbursed upon the approval of the Lafayette City Council, via resolution passed by the favorable vote of at least a majority of the authorized membership of the Lafayette City Council.
- L. Whereby Fund 401 Sales Tax Cap Improv-City has been separated into two (2) newly created funds; Fund 461 - 1961 Sales Tax Cap Improv-City Fund and Fund 485 - 1985 Sales Tax Cap Improv-City Fund. The CFO shall also have the authority to affect any needed administrative budget revisions to move other budgeted reserve funds to the appropriate accounts within the fund for FY 2024-2025. The CFO shall provide the City Council with the details of the budget revisions authorized by this section.
- M. The plan submitted to create a new section named SANE under the Coroner's Office is hereby approved by the Parish Council as submitted and identified herein in the Manning Tables.
- N. Additions of positions, deletions of positions, title changes, and/or other personnel changes are hereby approved as submitted and identified in the Manning Table.

SECTION 4: Certain activities and services are jointly provided and funded in the adopted operating & five-year capital improvement budget with City of Lafayette funds and/or with Parish of Lafayette funds, and it is intended that the cost of such services and activities be

shared equitably as set forth in the Allocation Schedule included in the “Budget Overview” section of the adopted operating & five-year capital improvement budget. The Allocation Schedule reflects the financial obligations of the City and Parish funds for such services and activities, and the Chief Financial Officer, through the Lafayette Mayor-President, is authorized and directed to make monthly transfers as necessary to comply with such schedule based on actual expenditures. It is agreed and understood that such transfers will be made by applying the percentages set forth in said Allocation Schedule to the final adopted budget amounts.

SECTION 5: If any one of the provisions of this ordinance or the application thereof to any person or circumstance is held invalid or unconstitutional, such invalidity or unconstitutionality shall not affect other provisions or application of this ordinance which can be given without the invalid provision or application, and, to this end, the provisions of this ordinance are declared severable.

SECTION 6: All ordinances or resolutions, or parts thereof, in conflict herewith are hereby repealed.

SECTION 7: After first having been adopted by a majority of the authorized membership of both the Lafayette Parish Council and the Lafayette City Council, this joint ordinance shall become effective upon signature of this joint ordinance by the Lafayette Mayor-President, the elapse of ten (10) days after receipt by the Lafayette Mayor-President without signature or veto, or upon an override of a veto, whichever occurs first.

Louisiana Revised Statutes limit the Parish's General Obligation bonded debt for other purposes to 10% of the assessed valuation of the taxable property for a single purpose with no limit on the number of purposes. The City may issue general obligation bonded debt in excess of 10% of the assessed valuation of the taxable property for any single purpose provided that the aggregate for all such purposes (determined at the time of issuance of the bonds) does not exceed 35% of the assessed valuation of the taxable property of the City.
