- SECTION 4:** At each meeting, public comment will be allowed related to agenda items prior to the taking of a vote on the item. Individuals who have completed a Request to Comment card and submitted it to the Board secretary no later than the posted time designated for commencement of the meeting will be permitted to speak up to five (5) minutes on the specific item before the Board for a vote. Comments will be restricted to the subject matter of the item up for vote. Additional time may be allowed under special circumstances at the discretion of the Board.
- Once a vote is taken on an agenda item, no further public comment will be allowed related to that item.

Individuals who wish to address the Board on general, non-agenda matters must complete a Request to Comment card and submit it to the Board secretary no later than the posted time designated for commencement of the meeting. The subject matter of the comments must be set out with specificity on the Request to Comment card. Individuals will be permitted to speak up to five (5) minutes.

The Board may extend time limitations on public commentary for just cause, or terminate commentary that is inflammatory, inappropriate or unrelated to Fire and Police Civil Service Issues.

RULE VII

EXECUTIVE SESSIONS

The board may meet in executive session during regular or special meetings, by two-thirds vote, when considering those matters which may be discussed under provisions of R.S. 42:4.1, et. al, (relative to public meetings). Any voting on matters discussed in executive session shall be conducted upon return to public meeting.

RULE VIII

APPLICATION FOR APPEALS AND HEARINGS

SECTION 1: These rules are promulgated to provide a method of procedure in matters brought before the board.

SECTION 2: Any person authorized to appeal to the board under provisions of civil service law may apply for such an appeal by a written notice giving clear and concise statement of the action complained against, the basis of the appeal, and the relief sought.

Application for appeal to the board under the provisions of R.S. 33:2501 of Civil Service Law shall be made only by regular employees in the classified service and shall be limited to matters involving discharge, corrective or disciplinary action, and the application shall so state. All other requests for hearings shall set forth a statement of the facts and the action which the applicant wishes the board to take. All applications for appeals and other hearings must be signed by the applicant or his counsel, if any. The applicant is encouraged to exhaust all administrative remedies, including the grievance procedure before appealing non-disciplinary matters to the board. The applicant, however, is not precluded from exercising the right, per R.S. 33:2477, to proceed directly to the board with any appealable matter.

SECTION 3: Requests for any type of action, discussion or investigation by the board (herein called "petitions") shall be in writing and filed with the secretary of the board. Requests by employees may be filed with the secretary of the board, or if he/she is unavailable, with the employee's representative to the board. In either case, the party receiving the request shall date the receipt of the request, sign it, and have the employee or party making the request sign it acknowledging the date of filing. The secretary of the board shall list the request on the board agenda. Employee appeals shall be shown on the agenda as Public Hearings.

Requests which are not considered employee appeals shall set forth the facts and circumstances which give rise to the request, and shall specify the nature of the board action/relief that is being sought.

Requests which seek relief beyond the legal jurisdiction of the board will not be considered.

Requests for investigations will be subject to a preliminary determination by the board as to whether just cause exists to proceed.

SECTION 4: The form of the petition shall include:

1. Petitioner's name, address, and telephone number.
2. Petitioner's attorney's name, address, and telephone number, if any.
3. Petitioner's classification and job, if petitioner is a classified employee.
4. The facts complained of or relied upon.
5. What the board is required to do.
6. A reference to the statutory provision or other authority relied upon for relief, if the petitioner has this knowledge.
7. The petition may also include any other information of which the petitioner has knowledge which would help the board understand what action petitioner wants the board to take and petitioner's reasons therefor.

SECTION 5: The board prefers that all documents filed with it be on letter size paper and typewritten. However, if this is a burden on any employee, the board will accept his/her petition in longhand. No document may be filed with the board via E-mail.

For purposes of determining the date of filing of any document, it will be the date the document is physically received by the board secretary or, in the case of the employee, the employee's representative to the board and stamped received that will control.

Any document submitted to the board associated with an appeal shall be sequentially number/Bate stamped in the left bottom corner of each page. No documents – including memoranda, briefs or exhibits – will be accepted by the board secretary or designated employee representative that are not sequentially numbered.

The board reserves the right to refuse any document that contains inappropriate or offensive language. In cases where allegations of wrongdoing are being leveled against any member of the fire or police classified service, the board reserves the right to enlist the investigative assistance/efforts of the police or fire departments, if it determines that the nature and/or scope of the investigative effort and/or the interest of fairness/justice so dictates.

SECTION 6: No appeal shall be effective unless the above notice is filed within fifteen (15) days following the action complained against, or where written notice is given of an action to be thereafter effective, within the fifteen (15) days following the date on which such written notice is given. If a petition is not filed within the time fixed by law, the board will not consider it.

SECTION 7: Upon receipt of a petition the secretary of the board shall note thereon the date and hour of its receipt and shall distribute copies to each of the board members, the appointing authority, and the city personnel department.

SECTION 8: The board shall initiate a hearing and investigation of an appeal within thirty days of the receipt of a properly executed request and shall have the right to continue the hearing from time to time for good reason. No hearing or meeting shall be held unless both the employee and appointing authority have been advised of the date, time, and place of the hearing, at least ten (10) days in advance.

SECTION 9: Board members shall not discuss pending appeals with anyone. In the event a board member has previous discussion concerning a matter resulting in an appeal, said member shall make the board aware of the discussion and the board will make a ruling on the necessity of recusal.

RULE IX

PROCEDURE ON APPEAL

SECTION 1: The appearances of all parties (petitioner and appointing authority) and their respective attorneys, if any, shall be noted for the record.

SECTION 2: All hearings on appeals shall be open to the public.

SECTION 3: Parties shall have the right, but shall not be required, to be represented by counsel. When any party is represented by more than one attorney, only one attorney for any party shall be permitted to examine the same witness.

SECTION 4: If either the employee or appointing authority fails to appear at the place and time fixed for a hearing, the board may decide the issue on the basis of available evidence, continue the hearing, or dismiss the appeal.

A. Requests for continuances of appeal hearings must be submitted in writing and will be heard by the board in open session. Accordingly, such requests must be filed with the board in sufficient time to be set for hearing prior to the date set for the appeal hearing, unless emergency circumstances exist.

Requests for continuances of appeal hearings based upon scheduling conflicts are to be accompanied by supporting documentation to include, but not be limited to, the nature of the scheduling conflict and verification that the conflict arose after the appeal hearing date was set.

SECTION 5: All persons who will offer testimony or make statements of fact during the hearing shall be duly sworn.

SECTION 6: The board shall have complete charge of the hearing and shall conduct it in any manner deemed advisable, provided the procedure shall be informal and not bound by any legal rules of evidence. The rules of evidence as applied in civil trials before the courts of this state need not be strictly complied with, but the board shall limit evidence to matters

having a reasonable relevance to the issues before the board. The burden of proof as to the facts in all disciplinary appeals shall be on the appointing authority except in those cases where the employee alleges discrimination based on political or religious beliefs, sex, or race.

SECTION 7: Insofar as practical, the parties will proceed in the following order, except as the board may otherwise direct:

1. Appointing authority
2. Petitioner
3. Appointing authority rebuttal

SECTION 8: Parties and witnesses shall be subject to cross-examination as in civil trials. In the interest of expediency and informality, the board encourages the stipulation of undisputed facts. Before the commencement of the hearing attorneys and/or unrepresented employees are encouraged to come to the hearing prepared to present possible stipulations. The board will call for these stipulations prior to beginning each hearing.

SECTION 9: The board shall, on request of any party or on its own motion, place witnesses other than parties under the rule of the board and thus exclude them from the hearing room.

SECTION 10: During the course of a hearing the presiding board member shall rule for the board on points of order unless a member of the board objects to such ruling or offers an alternative ruling. In that case, the ruling of the board shall be determined by majority vote.

SECTION 11: Documentary evidence/exhibits shall be appropriately marked for identification and filed by the board secretary. Each page must be sequentially numbered/Bate stamped. Questions relating to the sequential numbering/Bate stamping are to be directed to the board secretary before filing.

Exhibits which are submitted in connection with employee appeals are to include an Index of Exhibits, and are to be filed with the board secretary no later than ten (10) calendar days prior to the date established for the hearing, except at the direction of the board and under extenuating circumstances.

It is the responsibility of the submitting parties to make sure documentary evidence and/or exhibits are properly marked, numbered and/or indexed before submission to the board secretary. It is further the responsibility of the submitting parties to provide to the board secretary one (1) original and six (6) copies of all documentary evidence/exhibits. If this causes an undue burden on an employee, the chairman or vice-chairman may exercise discretion.

SECTION 12: The board and each member of the board shall have the same power to administer oaths, subpoena witnesses, and compel the production of books, papers, or records pertinent to any hearing, or investigation, as is possessed by the district courts of the State of Louisiana.

SECTION 13: Any party desiring the issuance of a subpoena for the attendance of a witness or the production of books or papers must apply for appropriate order, to the board, in writing.

SECTION 14: It is the responsibility of any party seeking the issuance of subpoenas for witnesses or records to make arrangements to have those subpoenas served in accordance with Louisiana law.

All applications for the issuance of subpoenas for witnesses or records must be in the hands of the board in sufficient time to enable the board to prepare and issue the subpoenas, and to further allow for a reasonable and timely service. In no case, except at the discretion of the board and under extenuating circumstances, will subpoenas be issued if received less than ten (10) calendar days prior to the date established for the hearing. All applications shall contain the full name and address of the person to be subpoenaed. Records should be described in as much detail as possible.

SECTION 15: At the conclusion of the hearing, the board may, in its discretion, hear oral argument, imposing such time limits as it deems appropriate. If the proceedings are being transcribed by an official reporter, the oral argument shall be transcribed and bound with the transcript of testimony.

SECTION 16: The written rules of the Civil Service Board and R.S. 33:2471, et. al, will be the basis of all hearings and appeals.

RULE X

FAILURE TO APPEAR/REFUSAL TO TESTIFY

SECTION 1: Any person who fails to appear in response to a subpoena, fails to answer any question, except one which could incriminate him, fails to produce any subpoenaed papers or records, or knowingly gives false testimony shall be subject to punishment by the district court.

SECTION 2: In addition to any penalty by the court, a classified employee who willfully refuses or fails to appear before any court, officer, board, body, or person properly authorized to conduct any hearing or inquiry under the provisions of R.S. 33:2502, et. al, or, who having appeared, refuses to testify or answer any question relevant to the issue at hand, except upon grounds that his testimony or answers would incriminate him, or knowingly gives false testimony, shall forfeit his employment and be ineligible for re-employment.

- SECTION 1:** The board will decide matters heard by it as required by law.
- SECTION 2:** Appeals to the board shall be decided promptly but in any event within thirty days after completion of a hearing.

- SECTION 4:** Any employee or any appointing authority may appeal from any decision or action of the board.
- SECTION 5:** An appeal shall lie direct to the Fifteenth Judicial District Court, Parish of Lafayette, State of Louisiana, as provided by law.
- SECTION 6:** The appeal must be in writing to the board, stating the grounds thereof and demanding that a certified transcript of the record, or written findings of fact, and all papers on file in the office of the board affecting or relating to such decision, be filed with the district court.
- SECTION 7:** The court hearing will be confined to the determination of whether the decision of the board was made in good faith for cause under the provisions of R.S. 33:2471, et. al.

RULE XII

TRANSCRIPTS OF HEARINGS

If any party to the hearing desires a permanent transcript of the hearing, the party shall furnish a court reporter for said purpose at their own expense. Where a court reporter is furnished, the first copy of the original of the transcript shall be filed with the board and shall become part of the permanent record of any subsequent appeals. Where no court reporter is furnished, the secretary of the board shall maintain as complete notes as is feasible and the board will issue a written finding of fact when an appeal is instituted.

RULE XIII

- SECTION 1:** All tests shall be announced, conducted, scored, and posted as prescribed by the provisions of R.S. 33:2492 and 2493, rules of the State Examiner's Office, and rules of the board.

R.S. 33:2498

Reduction of all positions in a class due to a Civil Service Board approved abolishment of an entire class shall be accomplished by demoting all employees of the affected class based on total departmental seniority and qualifications. The position reduction/class abolishment procedure is as follows:

After all temporary and probationary appointments have been removed from the class, and starting with the regular employee with the least departmental seniority, and continuing to the regular employee with the most departmental seniority in the abolished class, demote the employee to a position in the next lowest class within the same class grouping which is occupied by the employee with the least total departmental seniority in the other class; provided the demoted employee has more total departmental seniority, has previously held the position as a confirmed employee, and left the position as a qualified employee.* The procedure is completed when all employees have been demoted.

Before implementation of the position reduction procedure, in cases not involving class abolishment, the appointing authority shall take the following action:

After the above action, further reductions in the number of class positions shall be accomplished by demoting regular employees based on total class seniority and qualifications.

The position reduction procedure is as follows:

Starting with the regular employee with the least total class seniority within the affected class, demote the employee to a position in the next lower class in the same class grouping which is occupied by the employee with the least total class seniority in the other class; provided the demoted employee has more total class seniority, has previously held the position as a confirmed employee, and left the position as a qualified employee.*

Names of displaced employees will be listed on appropriate reinstatement list.

*The requirement that an employee must have previously held and been confirmed in a position, within the same class grouping, to which he is being demoted shall be waived if (1) the employee had by-passed and not held the position in question because it had not as yet been created or (2) the lack of confirmation in a position was due to the employee's being promoted to a higher position in the same class grouping and not due to poor work performance.

SECTION 3: LAY-OFFS WITHOUT PAY R.S. 33:2499

Should the appointing authority determine that a lay-off of employees is necessary such lay-off without pay shall be accomplished in accordance with the provisions of R.S. 33:2499 and the Municipal Fire and Police Civil Service Rules.
