

Public Works Announces:

Standard Specifications for Roads, Drainage, Bridges, and Other Infrastructure

2023
Edition

NOW AVAILABLE!

2023 STANDARD SPECIFICATIONS FOR ROAD, DRAINAGE, BRIDGES AND OTHER INFRASTRUCTURE
MANUAL
PUBLIC WORKS CAPITAL IMPROVEMENTS DIVISION

Public Works Department Capital Improvements Division announces the initial publication of the Lafayette Consolidated Government Standard Specifications for Road, Drainage, Bridges and Other Infrastructure 2023 Edition manual, which will replace the 2016 Edition, effective November 2023.

Manuals must be purchased by contactors, engineers, inspection and testing firms and other parties interested in bidding on Public Works projects and/or during work in LCG public right of way. Manuals are available at the Public Works Administration office located at 1515 E. University Avenue (Building A), Lafayette, LA 70502, Monday through Friday, 8 a.m. until 4 p.m. The cost of the manual is twenty (\$20) dollars per copy. Copies can be requested by mail for an additional ten (\$10) dollars per copy to cover shipping and handling fee. Mail order forms can be obtained by calling (337) 291-8504. Purchases are by check or money order only are the only acceptable method of payment. **Check or Money Order** should be made out to Lafayette Consolidated Government Department of Public Works. **CASH OR CREDIT CARD IS NOT AND WILL NOT BE ACCEPTED.** It should be noted manuals must be purchased and will not be available online.

The manual will serve as the official Public Works construction standards for projects. This manual is to be used until such time (anticipated 5 years to 10 years) that the manual is revised to keep current with construction techniques and methods.
